

Kensington Police Protection and Community Service District
Solid Waste Committee

7 pm on September 21, 2017

Kensington Community Center Building

1. Approval of March 20, 2017 Minutes
2. Big Belly Containers
 - a. Consideration of Big Belly garbage and recycling containers
 - b. Possible locations
 - i. Colusa Circle (in front of both bus stops and in front of veterinary office)
 - ii. Arlington (in front of both bus stops and in front of Young's Market)
 - iii. Park by the picnic area
 - c. Payment for containers
 - i. Seek contributions from businesses (Big Belly containers have spaces on the side for advertising)
 - ii. Franchise fees
3. Tour of Disposal/Recycling Facility – dates (late afternoon, M-F)
4. Household Hazardous Waste Options
 - a. Household Hazardous Waste (HHW) Facility in Richmond
 - i. Free to residents but Bay View pays \$95/car. No extra cost if neighbors collect neighbors HHW to bring in one car.
 - ii. Bay View requests that residents get a permit from them to track deliveries.
 - iii. Kensington can have a one-time event for an estimated \$70,000.
 - iv. Kelly Moore on San Pablo in Albany paint but you need to call to make sure they have space.
 - v. The El Cerrito Recycling Center accepts many different kinds of waste (e.g., ewaste) although it does not have the capacity to accept HHW from Kensington, nor does Bay View have an agreement for El Cerrito to accept HHW from Kensington.
5. Website Content
6. Food Compositing
 - a. Current contract is in effect until 2023.
 - i. Currently, Kensington residents can dispose of unlimited green waste twice a month.
 - ii. Food compost must be picked up weekly which will increase cost and Kensington will not have unlimited green waste disposal.
 - b. Home composting
 - i. Possible rebate for composters.
