

2019 Office of Emergency Services *Planning efforts and opportunities for community engagement*

- West Contra Costa County: 5 cities and 10 unincorporated communities
- 2019 emergency planning priorities:
 - Engagement with unincorporated communities
 - Outreach focused on emergency preparedness
 - Involvement with D/AFN population
 - Supporting community capacity building and local preparedness efforts
 - Development of evacuation planning guidelines to support the efforts of cities and unincorporated Contra Costa communities
- New County Emergency Operations Center (ETA 2020)
- OES exercises for 2019 to focus on improving response to floods, hazardous materials releases and wildfires
