In response to the County and State "shelter in place" orders, the Governor issued an order expanding his prior waiver of normal Brown Act requirements. Executive Order N-29-20, issued March 17, 2020, authorizes all-electronic meetings without a physical location for agency officials or members of the public. The published agenda must advise the public of the means by which it may participate in the meeting and of a procedure by which disabled people may submit requests for accommodation or modification. The order does not suspend notice requirements.

Executive Order N-29-20 is effective while state and/or local public health officials have imposed or recommended social distancing measure. The District must prioritize public health and containing the spread of the Covid-19 virus, which precludes holding physical public meetings. The District will comply with the usual Brown Act requirements to the extent compatible with the directives and recommendations of state and local health officials. We appreciate your understanding.

DRAFT

FINANCE COMMITTEE MEETING MINUTES

Via Teleconference Tuesday, July 7, 2020 1:00 p.m.

1. Call to Order/Roll Call.

Committee Chair Chris Deppe called to order the Finance Committee meeting at 1:05 p.m. Committee Members present at roll call included: Rachelle Sherris-Watt, Mike Logan, Jim Watt, Karl Kruger, and Rob Firmin.

Staff present included: Interim General Manager Bill Lindsay, Interim Chief of Police Walt Schuld, District Finance and Business Manager Katherine Korsak, and District Clerk of the Board Lynelle M. Lewis.

2. Public Comment.

None.

3. Approve Meeting Minutes of June 2, 2020.

• Director Sherris-Watt made a motion to approve the Finance Committee Minutes of June 2, 2020 and it was seconded by Committee Member Jim Watt. The motion carried (6-0) by the following roll call vote: AYES (Sherris-Watt, Logan, Kruger, Watt, Firmin, and Deppe); and NOES (None).

4. Presentation of the Fiscal Year 2018-2019 Audited Financial Statements by Steven Chang and Review and Discussion of These Financial Statements.

Auditor Steven Chang of Lamorena & Chang highlighted the audited financial statements for the fiscal year ending June 30, 2019. Overall, Mr. Chang rendered a clean audit opinion and said there were no material findings related to internal controls. Next, Mr. Chang reported on his expanded review of legal expenses based on concerns raised about the lack of detail on legal invoices. Mr. Chang said that based on his review of the documentation, he did not have an issue with the invoices and would prepare a memo to address the concerns about legal invoices. In concluding, Mr. Chang pointed out that a footnote disclosure in the audit document needed updating, and he would send an updated document to staff.

<u>Public Comment</u>. A. Stevens Delk asked about the source of "other tax income" on page 10. David Spath asked about the difference in the total expenditures total on page 39 and 41 and about the cash balance on page 39. Mr. Chang said he would review the numbers and provide the information to staff.

The Committee raised the following questions/concerns: clarification on the unfunded reserve account balance; why the 2019 restricted funds for a police car purchase (\$20,000) and for temporary relocation of the police station (\$50,000) were not shown in the audit; why the restricted funds are not reflected in the Fiscal Year 2020-21 Budget; and clarification on the unrestricted reserve balance (page 34). The Committee urged staff to get clarification on the

unrestricted fund balance. Mr. Lindsay asked committee members to send their questions about the audit to Mr. Chang, Mr. Lindsay, and Ms. Korsak prior to the July 9th Board meeting.

5. Review and Discuss Police Department Vehicle Purchase Financing Options and Consider Recommendation to the Board.

Finance and Business Manager summarized the staff recommendation to execute a five-year lease/purchase agreement for the procurement and equipping of five (5) Ford hybrid police vehicles for an annual cost of \$65,340 and a total five-year cost of \$326,725. The purchase is through the Folsom Ford's State and Local Government Sales Program. Interim Police Chief Schuld reported that the Police Department has a fleet of seven police vehicles all of which are past their life cycle except for the administrative vehicle. He said repair costs have continued to go up significantly for the last three fiscal years and the new vehicles come with a full three-year 36,000-mile warranty which will significantly reduce repair costs. Additionally, he noted that each new vehicle is projected to save \$2,800 per year in fuel costs.

The Committee raised several questions such as: why the quote was from a Sacramento County dealer versus one from Contra Costa County; why lease financing versus a straight purchase; does the District have sufficient finances for this purchase; and what happened to funds that were supposed to be set aside to purchase a vehicle every two years. The Committee expressed concerns about such a large expenditure at this time and the need for acquiring five new vehicles. Staff explained that the Sacramento dealer offered lower rates through a state contract and the lease option is less costly. Chief Schuld announced that he had instituted a fleet management plan and is in the process of writing a fleet management policy. He explained the benefits of leasing the five new cars versus purchasing one new car were reduced repair costs along with liability and safety concerns.

Chair Deppe called for public comment, there were no speakers, and public comment was closed.

• Committee Member Firmin made a motion to vote on the staff recommendation on the table for police cars to forward to the Board and it was seconded by Committee Member Mike Logan. The motion carried (3-2-1) by the following roll call vote: AYES (Firmin, Logan, and Deppe); NOES (Kruger and Watt); and ABSTAINED (Sherris-Watt).

6. Schedule the Next Meeting.

The next Finance Committee meeting was tentatively scheduled for October 20, 2020 at 1:00 p.m. Agenda topics will include a quarterly budget review and discussion of a 115 Trust. Suggestions for other agenda topics should be sent to the General Manager.

Adjournment

Chair Deppe adjourned the meeting at 3:35 p.m.

KENSINGTON POLICE PROTECTION AND COMMUNITY SERVICES DISTRICT

FINANCE COMMITTEE MEETING October 20, 2020 ITEM 7

SCHEDULE FOR COMPLETION OF ARCHITECTURAL DESIGN AND CONSTRUCTION OF RENOVATED PUBLIC SAFETY BUILDING

SUMMARY OF RECOMMENDATION

Receive an update from the general manager regarding the architect's estimated schedule for completion of the architectural design and construction of the renovated Public Safety Building.

BACKGROUND

The architectural firm of RossDrulisCusenbery (RDC) was initially engaged by the Kensington Fire Protection District (KFPD) to design a necessary renovation of the KFPD Public Safety Building (PSB). On September 11, 2019, RDC presented a design for the PSB that housed only the KFPD. After that, the KPPCSD pursued the idea of having RDC develop a design that would house both departments in the current PSB, and subsequently worked with both the Fire District and RDC for permission to engage RDC.

At its meeting of January 23, 2020, the KPPCSD Board, with the concurrence of the KPFD, approved an agreement with RDC in the amount of \$15,673 for their firm to develop a design for the renovation of the Public Safety Building that could accommodate space needs of both KPFD and the KPPCSD Police Department. It was understood that there was no guarantee that this work by RDC would result in a feasible design, but the Board majority felt that it was worthwhile to fund this important additional attempt at a solution.

During the course of the work by RDC, several technical design issues arose that required additional analysis and meeting(s) with the Contra Costa County Building Official. These issues involved accessibility and seismic requirements for the renovated Public Safety Building, and were outside of the original scope of work contracted for by KPPCSD. To continue this architectural analysis, the KPPCSD provided additional funding for an Extra Service Request (ESR 001), with the cost of that ESR split evenly with the Fire District. The cost to each agency was approximately \$13,000.

On September 17, 2020, KPPCSD staff received from the architect draft conceptual plans for a new Option D (attached) for the renovated Public Safety Building. This conceptual plan incorporates an elevator and a wheelchair lift, and has a redesigned space on the ground floor to improve the layout of the Kensington Police Department based on prior comments from the department. The ground floor also incorporates the Kensington Fire Department's preferred layout for the apparatus bays and support spaces. The conceptual design encloses the outdoor deck area, and includes modifications to meet accessibility codes. Since receiving this Option D, KPPCSD staff have participated in discussions with the architect regarding the conceptual design.

In response to a request by KPPCSD staff, the architects provided a schedule for general planning purposes that describes the activities and timetable from now through project completion, assuming that there are no unforeseen obstacles. This schedule is attached, and is being provided to the Finance

Committee for information purposes in the context of financial planning. In providing this schedule, the architect noted that, "This draft schedule is based on durations, not dates, and should be calculated from the formal date we receive Notice To Proceed (with detailed facility design)."

As noted in the draft schedule, the duration of the design phase is approximately 11-12 months from the notice to proceed with this phase, followed by a bid/construction phase of 14-16 months, and a total project duration of 28-30 months.

RECOMMENDATION

Receive an update from the general manager regarding the architect's estimated schedule for completion of the architectural design process and construction of the renovated Public Safety Building.

FISCAL IMPACT

The initial contract between KPPCSD and RDC was for the amount of \$15,673; the ESR approved by the KPPCSD Board was for an additional \$13,000; and the General Manager authorized a \$3,000 increase to the amount of the ESR. The total cost to date, then, for architectural services by RDC based on these authorized expenditures to date is approximately \$32,000. Funding is from budgeted capital funds.
