

ITEM NUMBER: 8(g)

To: KPPCSD Board of Directors
From: Anthony Constantouros, General Manager
Ann Danforth, General Counsel
Date: December 12, 2019
Subject: Adoption of New Policy 1000

I. BACKGROUND

On November 14, 2019, the District Board considered a proposed new Policy 1000. Under the existing Policy 1000 is the next step in this process. Under the existing Policy 1000, the Board's next step is to adopt the new policy. If adopted, the new Policy would replace the existing Policy 1000 in its entirety.

The Board directed staff to make several changes involving grammatical consistency, typographical errors and clarifications. None of these changes involved substantive changes to the Policy. This report includes both a redlined draft and clean version of the new policy and a resolution adopting the latter.

This agenda item contains the first part of the new Policy 1000. The second part, to be presented at a later date, will establish a new Records Retention Policy. Records Retention is a complex issue and the Board subcommittee decided to defer this portion to allow additional staff work and consideration.

II. CONCLUSION AND RECOMMENDATION

Staff recommends that the Board discuss the proposed new Policy 1000, take any public comment and adopt the proposed resolution repealing the current Policy 1000 and adopting the new one.

**Exhibits: Draft Policy 1000 (redlined)
Resolution for Adoption (with new Policy 1000)**
