

KENSINGTON POLICE PROTECTION AND COMMUNITY SERVICES DISTRICT

PARKS GROUNDS COMMITTEE MEETING

AGENDA

Friday, August 12, 2016, at 10:00am, Room 3 of the Kensington Community Center, 59 Arlington Ave., Kensington.

1. Approve minutes from June meeting.
2. Investigate refurbishment of green wall adjacent to the tennis courts.
3. Investigate possible improvements to the play area near the tennis courts.
4. Create a statement of responsibilities of the Park and Recreation Group.
5. Who is doing what? How to best coordinate Fuel Reduction Volunteer efforts with the gardeners.
6. Mowing practices – mowing to a height of 6” can be done once a season.
7. The old play structure could be a safety hazard. Should it be removed, refurbished, or ignored?
8. Status of grants? How many applications and for what purpose?
9. Would security cameras be useful in the park for equipment & night-time resident safety?
10. Discuss emergency supplies container to be located in the park.
11. Preview of Power Point slides showing of Park Grounds before and after vegetation clean up.

Minutes from June 25, 2016 Meeting

GM Hart presented his thoughts on a nicer treatment of a trash/recycling/green waste site for the Community Center. All present were supportive of the idea. This to be implemented after ADA work is complete.

We are preparing a Power Point slide show of before & after photos of park areas that the Fuel Reduction volunteers have improved. Director Welsh agreed to have it shown at a District meeting.

The Fuel Reduction Team will create a brief press release to describe the work that has been done and to encourage residents to join them.

The Fuel Reduction Team will meet with GM Hart to plan coordination of their work with the contracted maintenance work.

GM Hart will be applying for additional DFSC grants to remove or trim trees in the park.

We will send a Word file of a dumpster sign to GM Hart who will have six signs made up.
