

AGENDA KENSINGTON COMMUNITY SERVICES DISTRICT

Board of Directors Meeting
Thursday, August 13, 2026
Kensington Community Center
59 Arlington Avenue, Kensington, CA 94707

7:00 p.m. (Regular Meeting)

(In Person and Hybrid)

www.kppcsd.org/2026-08-13-board-meeting

Hybrid Access via Zoom:

<https://us02web.zoom.us/j/81803143557?pwd=QJDja46PWe1vhsBiQaYoQ8L6uzbPqE.1>

Webinar ID: 818 0314 3557 Passcode: 079018

The Board may hold hybrid meetings, where most or all of the Directors attend in person but the District offers the public the option of attending by Zoom or other teleconferencing methods. Please be advised that those participating in such meetings remotely do so at their own risk. The Board meeting will not be cancelled if any technical problems occur during the meeting.

7:00 p.m. (Regular Meeting)

1. **Call to Order**
2. **Roll Call**
3. **Announcement from Closed Session**
4. **President's Comments**
5. **Public Comment**

*Individuals wishing to address the Board of Directors concerning any items not on the agenda may make oral comments of up to three minutes. **For Zoom attendees:** Please raise your hand via Zoom. When you are called on by the Board President, you will be unmuted and you can address the Board of Directors. Please state your name clearly for the audio recording. You are requested to address your comments to the President and Board of Directors and not to staff and/or the audience. By state law, the Board is not permitted to undertake any action or discussion on any item not appearing on the posted agenda. If you have any documentation that you would like distributed to the Board, please mail or email it to the Clerk of the Board at 217 Arlington Ave., Kensington, CA 94707 or llewis@kppcsd.org. For other concerns or needs contact David Aranda at (510) 960-0716.*

6. PUBLIC HEARING

Fire Hazard Abatement Hearing and Declaration:

Adopt Resolution No. 2026-16 the initiation of the abatement process by declaring weeds, rubbish, litter, and other flammable material on specific parcels of property within District boundaries as public nuisances, which must be abated.

Consent Calendar

7. Approve the KCSD meeting minutes of June 22, 2026 and July 9, 2026.
8. Approve Kensington Community Services District bills paid for July 3, 2026.
9. Approve the July financials.
10. Receive the Treasurer's Quarterly Report for the Kensington Community Services District (April 2026 through June 2026).

Police and Fire Chief's Reports

11. Police Chief's Monthly Report.
12. Fire Chief's Monthly Report.

Discussion and Action

13. Approve Fiscal Year 2027 budget amendments as presented.
14. Discussion of District Financial Accounts and Finances.
15. A Fiscal Year 2026 review and comparison to Ridgeline projections.
16. A Fiscal Year 2027 review and comparison to Ridgeline projections.
17. Approve FY 2026-2027 El Cerrito-Kensington Fire Services Contract Fee Schedule.
18. Authorize staff to develop a eucalyptus risk awareness and mitigation program.
19. Approve the CalPERS retired annuitant hiring process and procedures for Kensington Community Services District.
20. Approve spending up to \$11,000 on equipping the Public Safety Building with network infrastructure for the administrative offices.
21. Select an individual to replace the director seat left vacant by David Spath.

Reports & Director's Comments

22. Emergency Preparedness Coordinator's Monthly Report.
23. General Manager's Monthly Report.
24. KCSD Consultant's Monthly Report.
25. Directors' Comments.
26. The Clerk of the Board Will Swear in the Newly Appointed Director.

Convene to Closed Session

- 1) PUBLIC EMPLOYEE APPOINTMENT (Government Code Section 54957)
Title: General Manager

Announcement from Closed Session

Adjournment

The next regular meeting of the KCSD is scheduled for Thursday, September 10, 2026.

General Information

- All proceedings of the Open Session will be audio and video recorded if possible.
- Upon request, the Kensington Community Services District will provide written agenda materials in appropriate alternative formats or disability-related modification of disabilities to participate in public meetings. Please send written request, including your name, mailing address, phone number, and a brief description of the requested materials and preferred alternative format or auxiliary aid or service at least two days before the meeting. Requests should be sent to Kensington Community Services District at *217 Arlington Ave., Kensington, CA 94707*.
- To be added to the Board Agenda Mailing List, complete and submit the form at <https://www.kppcsd.org/agenda-mailing-list> or by notifying the Clerk of the Board at llewis@kppcsd.org.

Posted Agenda

Public Safety Building at *217 Arlington Ave. Kensington, CA 94707*; Kiosk in the Colusa Circle; Arlington Kiosk; and at www.kppcsd.org. Complete agenda packets are available at the Public Safety Building at *217 Arlington Ave., Kensington, CA 94707*. All public records that relate to an open session item of a meeting of the Kensington Community Service District that are distributed to a majority of the Board less than 72 hours before the meeting, excluding records that are exempt from disclosure pursuant to the California Public Records Act, will be available for inspection at the District offices at *217 Arlington Ave., Kensington, CA 94707* at the same time that those records are distributed or made available to a majority of the Board.

Kensington Community Services District

DATE: August 13, 2026

TO: Board of Directors

FROM: David Aranda, Interim General Manager
Mary A. Morris-Mayorga, Consultant

SUBJECT: Adopt Resolution No. 2026-16 the initiation of the abatement process by declaring weeds, rubbish, litter, and other flammable material on specific parcels of property within District boundaries as public nuisances, which must be abated

RECOMMENDATION:

After presentation by the El Cerrito-Kensington Fire Department and conclusion of the Public Hearing, staff recommends the Board of Directors adopt Resolution No. 2026-16 the initiation of the abatement process by declaring weeds, rubbish, litter, and other flammable material on specific parcels of property within District boundaries as public nuisances, which must be abated.

BACKGROUND:

Each year, the El Cerrito-Kensington Fire Department follows an annual abatement process as detailed in the attachment provided by Fire Marshall Beckman and Fire Prevention Officer Wade. As the annual process nears completion, the Board of Directors is presented with a resolution for adoption on the abatement process and list of affected parcels. Typically, there have been one or two at most that do not comply which would require forced abatement.

While the list contains more parcels currently, they may clear by the time of the Board meeting. For those that do not, the Board would be presented with a resolution in October to adopt the costs of forced abatement and place those costs on the property tax bill of affected parcels.

El Cerrito-Kensington Fire Department will present this item at the meeting, but I wanted to provide an overview for the former KPPCSD Board members who may not be as familiar with the process.

FISCAL IMPACT:

Annual program costs are included in the fiscal year budget with any forced abatement charges recovered through the property tax levy process.

EXHIBIT(S):

Report from Fire Marshall Beckman and Fire Prevention Officer Wade, including attachments

Kensington Community Services District

Item #06a

DATE: August 13, 2026
TO: Board of Directors
FROM: Chase Beckman, Fire Marshal; Thomas Wade, Fire Prevention Officer
SUBJECT: Annual Fire Hazard Abatement Resolution No. 2026-16

RECOMMENDATION:

Staff recommends that the Kensington Fire Protection District authorize through the adoption of Resolution 2026-16 the initiation of the abatement process by declaring weeds, rubbish, litter, and other flammable material on specific parcels of property within District boundaries as public nuisances, which must be abated.

BACKGROUND:

The Fire Department is continuing its annual fire hazard abatement program. This program seeks to remove weeds, rubbish, litter or other flammable material from private properties where such flammable material endangers the public safety by creating a public nuisance and a fire hazard. Most property owners voluntarily abate these hazards without Fire Department involvement. Ideally 100% of the property owners would do so. Experience in prior years suggests most will comply. Any property owners that do not comply will have the District do the work and place the costs on their tax bill.

ANALYSIS/DISCUSSION:

The Fire Hazard Abatement process under the direction of the Fire Department should proceed according to Health and Safety Code Sections 14875 et seq which specify the following:

1. The El Cerrito Fire Department on behalf of the Kensington Fire Protection District has determined hazards that must be abated. Pursuant to these code sections, hazards are defined as weeds, rubbish, litter or other flammable materials which create a fire hazard or are otherwise noxious or dangerous and which exist on specific parcels of property within the boundaries of the District.
2. Notice was sent by mail that the Fire District has determined the existence of a public nuisance which must be abated and that a hearing will be held to consider any objections prior to ordering the Fire Chief or his designee to perform abatement.
3. At the August 13, 2026, meeting, the Board of Directors shall hear and consider all objections to the proposed removal of weeds, rubbish, litter or other flammable material. At the conclusion of the hearing, the Board of Directors shall by resolution allow or overrule any objections and order the Fire Chief or his designee to abate some or all of the public nuisance conditions on any remaining parcels which have not been voluntarily cleared by that time. The costs for abatement shall be assessed against the property as a lien and special assessment.

4. At the conclusion of the August 13, 2026, hearing, a second and final notice shall be sent to each property owner prior to abatement. This notice will order the immediate abatement of nuisance conditions. This notice will clearly state that if nuisance conditions are ignored, the Fire District shall cause abatement and costs for removal will be assessed against the property as a lien and special assessment. It will also indicate that if the conditions are voluntarily abated, the property shall be removed from the process.
5. By September 13, 2026, if the hazardous conditions are not removed prior to the arrival of the hazard abatement crew, the Kensington Fire Protection District shall cause the weeds, rubbish, refuse, and other flammable material to be removed and shall keep an account of the cost of abatement for each parcel or land where such work is performed.
6. At the October 8, 2026, Board meeting, the Fire Chief or his designee shall submit to the Board of Directors of the Fire District for confirmation an itemized written report showing the cost of abatement work performed. A copy of this report shall be posted at least three days prior to its submission to the Board of Directors. Each property owner upon whose property abatement work was performed shall be sent written notice by mail of a hearing by the Board of Directors to consider the cost of abatement work performed on their property.
7. At the Board meeting on October 8, 2026, the Board of Directors of the Fire District shall receive and consider the written staff report on abatement actions taken by the District and shall hear any objections from the property owners liable to be assessed for the abatement. The Board of Directors may modify the staff report if deemed appropriate and then confirm the report by motion or resolution.
8. After the Board of Director's confirmation of the report, a certified copy of the report shall be filed with the county auditor who shall add the amount of the assessment to the next regular tax bill levied against the parcel.

The Fire District's Attorney has reviewed and approved the process.

The Fire Hazard Abatement Program is exempt from California Environmental Quality Act (CEQA) pursuant to sections 15304 and 15308 or the CEQA Guidelines. Therefore, no further CEQA review is required.

FISCAL IMPACT:

The abatement program will be administered by Fire Department staff with minimum costs expended for printing and mailing. Abatement work will be completed by private contract labor as appropriate. Program costs will be recovered through the special assessment and lien process.

ATTACHMENT(S):

- Resolution No. 2026-16
- Exhibit A of Address's and APN #'s
- Defensible Space Report Mailer
- First Letter from the Fire Marshal
- Second Letter from the Fire Marshal

Kensington Community Services District

RESOLUTION NO. 2026-16

RESOLUTION OF THE BOARD OF DIRECTORS OF THE KENSINGTON FIRE PROTECTION DISTRICT
DECLARING THAT WEEDS, RUBBISH, LITTER OR OTHER FLAMMABLE MATERIAL ON
DESIGNATED PRIVATE PROPERTIES CONSTITUTES A PUBLIC NUISANCE AND PROVIDING FOR
NOTICE THAT THE FIRE CHIEF OR DESIGNEE SHALL ABATE SUCH PUBLIC NUISANCE
CONDITIONS IF NOT ABATED BY THE PROPERTY OWNER

WHEREAS, Health and Safety Code Sections 14875 et seq provides a method by which a local legislative body may abate on private property public nuisance conditions relating to weeds, rubbish, litter or other flammable material which creates a fire hazard, a menace to the public health or which is otherwise noxious or dangerous; and

WHEREAS, the Fire Marshal for the Kensington Fire Protection District has identified in Exhibit A to this resolution those private properties, by street name, lot and block number, on which the presence of weeds, as defined in Health and Safety Code Section 14875, constitute a public nuisance; and

WHEREAS, Health and Safety Code Sections 14890 through 14899 provide that notice shall be provided to each person to whom the properties identified in Exhibit A is assessed informing those persons that unless the property owner abates those nuisance conditions, that the Fire District shall abate the public nuisance. The notice shall further state that if the Fire District must abate the public nuisance, then the cost of abatement shall be assessed against the property as a special assessment. The notice shall also specify a date for a hearing at which property owners may present objections to the designation of their properties as public nuisances or to the proposed removal of the weeds by the Fire District; and

WHEREAS, Health and Safety Code Section 14900 provides that after the hearing, the local legislative body may, by motion or resolution, order the Fire Chief or designee to abate the public nuisance. After further proceedings, these abatement costs may be assessed against the property as a special assessment.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Kensington Fire Protection District that the properties listed in Exhibit A to this resolution are declared a public nuisance and such nuisance conditions shall be ordered abated because the presence of weeds, rubbish, litter or other flammable material on those properties create a fire hazard, a menace to the public health or are otherwise noxious or dangerous.

BE IT FURTHER RESOLVED that the notice shall state that a public hearing shall be held on October 8, 2026, at 7:00 p.m. at a location to be publicly noticed 72 hours prior to the meeting in accordance with the Brown Act. At this hearing, the Board shall receive a written staff report on abatement actions, and any objections shall be heard from the property owners identified in Exhibit A liable to be assessed for the abatement.

The foregoing resolution was duly adopted at a regular meeting of the Kensington Fire Protection District on the 13th day of August 2026 by the following vote of the Board.

Dear Kensington Property Owner:

With the State's winter rain, the community is facing unprecedented vegetation growth as we head into peak fire danger season. To reduce the fire danger on private property and provide greater community safety, the Fire Department has been inspecting properties and checking for fire hazards. Recently your property listed above was found that it **does not comply** with the Vegetation Management Guidelines set forth in the Kensington Fire Protection District Vegetation Management Standards. You are being notified now so that you may, if you have not already done so, take steps to remove those fire hazard conditions found on your property.

Enclosed is a copy of the Fire Hazard Reduction Inspection form specifying those areas that are not in compliance as well as the Fire Hazard Reduction Guidelines and Fire Hazard Reductions Checklist that can assist you in bringing your property into compliance. More information on the Vegetation Management Standards and Guidelines may be found on the Fire District's website at: www.kensingtonfire.org under Vegetation Management Standards. Additional information is also available at www.readyforwildfire.org or www.cafiresafecouncil.org as well as many others.

If you have recently completed the work to meet these standards, no further action is required. If not, your property is required to be brought into compliance no later than **July 24th**. Report completed work by accessing your report using the link and access code below. When the Fire Department has cleared your property, it will be dropped from our list and no further action will be taken at that time.

August 13th at 7:00PM the Kensington Board of Directors will hold a public hearing at the Kensington Community Center (59 Arlington Ave) to declare those properties still not in compliance as a public nuisance. Your property is at risk of being declared a public nuisance and subject to further abatement actions. In accordance with the Government Code, you may appear before the Board at this public hearing to dispute this declaration.

If you have not done so already, please take immediate action to remove those fire hazard conditions and we thank you for your cooperation in helping us make Kensington a more fire safe community.

Sincerely,

Chase Beckman

NOTICE TO DESTROY WEEDS AND REMOVE RUBBISH, REFUSE AND OTHER FLAMMABLE MATERIAL

On **August 13, 2026 at 7:00 PM**, the Kensington Fire Protection District Board of Directors declared that your property in the Kensington community, designated above by address and parcel number, constitutes a public nuisance because of the presence of weeds, rubbish, litter or other flammable material which creates a fire hazard, a menace to the public health, or is otherwise noxious or dangerous.

A previous notice was sent to you informing you of the August 13, 2026 hearing and further informing you of your obligation to remove the weeds, rubbish, refuse and other flammable material from your property. **If you do not immediately abate these nuisance conditions, the District will do so and the costs for removal of the weeds, rubbish, refuse and other flammable material will be assessed against your property as a lien and special assessment.** These removal costs shall then be collected in the time and manner of ordinary municipal taxes.

You will not receive any further notices from the District prior to this removal. The District shall perform this removal either through its own staff or through private contract sometime between **September 14th and September 24th 2026**. It is impossible to predict what it will cost the District to remove these nuisance conditions from your property. The costs depend on the severity of those conditions. In past years these abatement costs have sometimes exceeded \$8,000 per parcel for those parcels with severe nuisance conditions.

The Kensington Fire Protection District Board of Directors will hold a public hearing on **October 8th at 7:00 p.m.** At this hearing, the Board will receive the staff report and cost of abatement for your property. Objections to the abatement costs can be heard at this public hearing. Contact the Fire Department for the location of the meeting or go to the Kensington Fire Protection District website at <https://www.kensingtonfire.org/meetings> for meeting information.

If you have any questions, contact the Fire Department at 10900 San Pablo Avenue, El Cerrito, CA 94530. The phone number is (510) 215-4457.

KENSINGTON COMMUNITY SERVICES DISTRICT Board of Directors Meeting Minutes

Monday, June 22, 2026
Special Meeting
Kensington Community Center
59 Arlington Avenue, Kensington, CA 94707

1. **Call to Order** [\[TS 2:38\]](#)

President Sylvia Hacaj called to order the special meeting at 7:31 p.m.

2. **Roll Call** [\[TS 2:53\]](#)

Present: Directors Rick Artis, Sylvia Hacaj, Sarah Gough (remote), Daniel Levine, Danielle Madugo, Rodney Paul, and Jim Watt. Director Alexandra Aquino-Fike was absent.

Staff present: Interim General Manager David Aranda and Clerk of the Board Lynelle Lewis.

3. **Special Meeting Agenda Item Public Comments** [\[TS 3:30\]](#)

None.

4. **Convene to Closed Session** [\[TS 5:10\]](#)

The Board convened to the closed session meeting at 7:34 p.m. for a conference with legal counsel to discuss one matter.

[\[TS 7:11\]](#) President Hacaj announced that the Board gave direction to legal counsel.

Discussion and Action [\[TS 7:19\]](#)

5. **Consider Adoption of Resolution No. 2026-13 A Resolution of the Board of Directors of the Kensington Community Services District Ordering Even-Year Board of Directors Elections, Consolidation of Elections, Specifications of the Election Order, and Extinguishing a Board Seat.**

IGM Aranda and General Counsel Nelson provided information regarding the options for Board consideration. Board members discussed the options for an appointment to fill the vacant board seat, terms of office that will be on 2026 November ballot, and the pros and cons of an even versus an odd number of board seats.

- Addressing the Board was: 1) Adam Bastein, Kensington resident, who expressed interest in being involved and contributing to the community; 2) Gail Feldman asked for clarification on the number of seats that would be on the upcoming ballot and expressed agreement with having an odd number of board seats ; and 3) Lin Due asked about the open seat and supported an appointment to avoid an even number of board seats.

Following a straw poll, there was Board consensus to proceed with an appointment to fill David Spath's vacant seat as soon as possible, to advertise the vacancy, and to develop a candidate questionnaire. The Board directed the Interim General Manager to begin that process, agendaize the action for Board consideration, and work with the ad hoc committee of President Hacaj and Vice-President Levine to develop a candidate questionnaire. Further clarification was given that the appointed board member would serve out the current term of office through November 2026 and appointment of the new board member would happen at the August board meeting.

Next, the Board discussed revisions to the draft resolution: remove the WHEREAS regarding extinguishing the seat created by David Spath; an election to fill the remaining term of that seat as provided for in GC 1780; and define the terms of office for the candidates on the ballot (three 4-year terms and one 2-year term).

- Director Levine made a motion, seconded by Director Madugo, to adopt Resolution No. 2026-13 Ordering Even-Year Board Of Directors Elections, Consolidation Of Elections, Specifications Of The Election Order and Vacancy Plan which is the resolution as described in the board packet with the modification to delete fourth “**WHEREAS**, the Kensington Community Services District has a current board of nine directors and wishes to extinguish the seat created by David Spath's resignation and said seat was up for election in 2028 thereby reducing the current number of members to eight”; that the Kensington Community Services District has a current board of nine and wishes to fill the vacancy created by David Spath's resignation pursuant to Government Code 1780; removing the Item 1 clause from the Now Therefore Be It Resolved and add a third point for that section that the November 2026 election shall be held to choose a director for a 4-year term, director 4-year term, director 4-year term, and director 2-year term, and staff has the ability to make non-substantive edits to resolution necessary to comply with county election requirements, carried by roll call vote (7-0) as follows: (AYES) Directors Artis, Hacaj, Gough (remote), Levine, Madugo, Paul, and Watt; (NOES) Gough; and (ABSENT) Director Aquino-Fike.

Adjournment [\[TS 58:32\]](#)

President Hacaj adjourned the meeting at 9:17 p.m. The next regular meeting of the KCSD is scheduled for Thursday, July 9, 2026.

4. President's Comments

None.

5. **Public Comment** [\[TS 20:26\]](#)

- Addressing the Board was Jennifer Jacobs, representing KPOA, who commented on the letter sent regarding holding another community-wide evacuation drill.

Consent Calendar [\[TS 23:55\]](#)

IGM Aranda pointed out that corrections had been made to the minutes.

- Director Madugo made a motion, seconded by Director Paul, to approve the Consent Calendar, carried by roll call vote (7-0-1) as follows: (AYES) Directors Aquino-Fike, Artis, Gough, Hacaj, Madugo, Paul, and Watt; (NOES) None; and (ABSENT) Director Levine.
6. Approved the KCSD meeting minutes of May 14 , 2026 and June 11, 2026 (as corrected).
7. Approved the bills paid and revenue received by KPPCSD and KFPD for June 2026.
8. Approved the June financials.

Police and Fire Chief's Reports

9. **Police Chief's Monthly Report.** [\[TS 26:27\]](#)

Police Chief Mike Gancasz announced that the monthly report of June 2026 had been submitted. He highlighted items from the report including a significant felony arrest, results of electronic citation processing, and community events such as Pizza with the Police and Cookies with the Cops. He expressed thanks to PD volunteers Mike Logan, Walt Gill, and Nolan Haynes for their contributions to the KPD along with Benchmark Pizzeria for their hospitality and support at the Pizza with the Police event. The next Cookies with the Cops event is scheduled for July 22 at Raxakoul Coffee and Cheese.

10. **Fire Chief's Monthly Report.** [\[31:20\]](#)

President Hacaj noted that the monthly reported had been submitted with the agenda packet. She urged board members to review the report and submit any questions or comments to IGM Aranda.

Discussion and Action

11. Presentation by Ridgeline on pros and cons of an updated 10-year forecast. [\[TS 32:40\]](#)

Dmitry Semenov presented the pros and cons of preparing an updated forecast for presentation in the next month or so as opposed to waiting to present the update in Fiscal Year 2028. He cited factors that may impact financial forecasting such as having sufficient data, the hiring of a permanent general manager, negotiations with El Cerrito, and a possible new police building.

Director Artis said he would like to see the actual to projection numbers for the consolidated district. Following discussion by board members, IGM Aranda said he and KCSD Consultant Mary Morris-Mayorga would work to prepare an actual to projections analysis for the first year of the consolidated district.

12. Approve Resolution No. 2026-15—A Resolution of the Board of Directors of the Kensington Community Services District to Accept Grant Funds for Fiscal Year 27 From the California Highway Patrol and the Cannabis Tax Fund Grant Program (CTFGP) and Authorize the Appropriate District Staff to Execute the Necessary Agreements and Contracts Associated with This Grant. [\[TS 51:06\]](#)

Chief of Police Gancasz presented the recommended action to accept grant funds and responded to questions from the Board.

- Director Artis made a motion, seconded by Director Paul, to approve Resolution No. 2026-15 to Accept Grant Funds for Fiscal Year 27 From the California Highway Patrol and the Cannabis Tax Fund Grant Program (CTFGP) and authorize the appropriate district staff to execute the necessary agreements and contracts associated with this grant, carried by roll call vote (8-0) as follows: (AYES) Directors Aquino-Fike, Artis, Gough, Hacaj, Levine, Madugo, Paul, and Watt; (NOES) None; and (ABSENT) None.

13. Approval of Resolution No. 2026-14—A Resolution of the Kensington Community Services District Board of Director Expressing Appreciation to David Spath For His Contributions to the Community of Kensington. [\[TS 57:28\]](#)

IGM Aranda introduced the recommended action and President Hacaj read the resolution of appreciation. Former Director Spath expressed appreciation for the resolution, thanked IGM Aranda and staff who helped him while president, and wished the Board much success.

- Director Hacaj made a motion, seconded by Director Artis, to approve Resolution No. 2026-14 expressing appreciation to David Spath for his contributions to the community of Kensington, carried by roll call vote (8-0) as follows: (AYES) Directors Aquino-Fike, Artis, Gough, Hacaj, Levine, Madugo, Paul, and Watt; (NOES) None; and (ABSENT) None.

14. Proceed with the second reading and approval of Ordinance No. 2026-02 of the Kensington Community Services District Rescinding Ordinance No. 2017-01 of the Kensington Police Protection and Community Services District Adopting a Prohibition on Unauthorized

Encroachments on District Land and Adoption Procedures, Penalties And other Remedies for Such Encroachments. [\[TS 1:04:41\]](#)

IGM Aranda introduced the recommended action. President Hacaj read the ordinance as required.

- Director Levine made a motion, seconded by Director Madugo, to adopt Ordinance No. 2026-02 rescinding Ordinance No. 2017-01, carried by roll call vote (8-0) as follows: (AYES) Directors Aquino-Fike, Artis, Gough, Hacaj, Levine, Madugo, Paul, Spath and Watt; (NOES) None; and (ABSENT) None.

15. **Approve the following actions related to the vacant position on the KCSD Board of Directors: a) Accept David Spath's resignation effective June 12, 2026; b) approve posting the Notice of Vacancy of the KCSD Board of Directors and Intent to Appoint Director; and c) move forward with appointing an individual to that position by following the process as directed by the Elections Code and calling for candidates to submit their applications prior by the end of business for Friday, August 7th.** [\[TS 1:07:36\]](#)

President Hacaj outlined the required actions.

- Director Artis made a motion, seconded by Director Aquino-Fike, to accept David Spath's resignation effective June 12, 2026, carried by roll call vote (8-0) as follows: (AYES) Directors Aquino-Fike, Artis, Gough, Hacaj, Levine, Madugo, Paul, and Watt; (NOES) None; and (ABSENT) None.
- Director Aquino-Fike made a motion, seconded by Director Madugo, to approve the Notice of Vacancy of the KCSD Board of Directors with the corrected deadline date of Friday, August 7 for applications, carried by roll call vote (7-1) as follows: (AYES) Directors Aquino-Fike, Artis, Hacaj, Levine, Madugo, Paul, and Watt; (NOES) Gough; and (ABSENT) None.

Board members discussed the candidate questionnaire. Direction was given to IGM Aranda as follows: Question #1 is okay; Question #2 can be deleted; Question #3 is okay; Question #4 is okay; Question #5 is okay; and Delete Questions #6-10.

16. **Approve the Kensington Community Services District Salary Schedule effective July 1, 2026.** [\[TS 1:20:19\]](#)

- Director Levine made a motion, seconded by Director Artis, to approve the Kensington Community Services District Salary Schedule effective July 1, 2026, carried by roll call vote (8-0) as follows: (AYES) Directors Aquino-Fike, Artis, Gough, Hacaj, Levine, Madugo, Paul, and Watt; (NOES) None; and (ABSENT) None.

17. **Discussion and direction regarding the Kensington Park Wildfire Risk Assessment.** [\[TS 1:23:35\]](#)

IGM Aranda provided background information that was followed by board discussion.

- Addressing the Board was David Tuft, Firewise lead for Colgate Columbia, who commented on the maintenance items.

18. Approve purchase of the modular unit that houses the Police Department for a cost not to exceed \$191,000. [\[TS 1:41:04\]](#)

IGM Aranda reported that the Police Department has operated from a modular unit in El Cerrito since late 2022. The District pays \$5,488.80 per month in rent, with the lease up for renewal in August. He reported that after negotiations with Mobile Modular, KCSD can purchase the unit for \$190,001.79, meaning the purchase would pay for itself in about three years. He also reported working with the City of El Cerrito to extend the license agreement allowing the unit to remain on City property through 2029. The unit is movable, which is an advantage. Additionally, Police Chief Gancasz confirmed that the modular unit functions well as a police station and that significant upgrades have been made. Although the purchase was not included in the capital budget, the District has sufficient funds to complete the purchase without affecting its financial operations.

Board members discussed the pros and cons of the purchase. IGM Aranda stated that he had received one email opposing the purchase.

- Director Hacaj made a motion, seconded by Director Madugo, to approve the purchase of the modular unit that houses the Police Department for an amount not to exceed \$190,001, carried by roll call vote (8-0) as follows: (AYES) Directors Aquino-Fike, Artis, Gough, Hacaj, Levine, Madugo, Paul, and Watt; (NOES) None; and (ABSENT) None.

19. Discussion regarding improvements to widen Kensington Park Road for two-way traffic and improved rainwater flow and upgrade the steps from the road to the park to include a handrail. [\[TS 1:59:59\]](#)

IGM Aranda announced that Director Watt had prepared an overview of the improvements he would like to see undertaken. Director Watt presented his rationale for this request. Board members presented their views on the proposal, and the consensus was to get more information from the Fire Chief on road traffic and from contractors on maintenance and drainage issues.

Reports & Director's Comments

20. Emergency Preparedness Coordinator's Monthly Report. [\[TS 2:18:19\]](#)

Emergency Preparedness Coordinator Johnny Valenzuela provided highlights on the Hazardous Vegetation Grant efforts, the results of the Kensington Ember Exclusion Program, Firewise recognition renewals, Fire Safe Kensington, and CERT.

21. General Manager's Monthly Report. [\[TS 2:24:11\]](#)

IGM Aranda noted that his monthly report had been submitted in the agenda packet. He added that he had received an email from Bob Murray & Associates, the recruiter for the General Manager position, reporting that they had received applications from 12 California candidates and 1 out of state candidate. He asked about planning and staffing for an emergency evacuation drill, and following board discussion there was consensus to have the Emergency Preparedness Committee review this matter. Director Paul pointed out that the Pathkeepers submitted its Fiscal Year 2025-2025 Annual Report.

22. KCSD Consultant's Monthly Report. [\[TS 2:29:36\]](#)

KCSD Consultant Morris-Mayorga noted that her monthly report had been submitted in the agenda packet.

23. Directors' Comments. [\[TS 2:30:53\]](#)

None.

Adjournment [\[TS 2:30:59\]](#)

President Hacaj adjourned the meeting at 9:12 p.m. The next regular meeting of the KCSD is scheduled for Thursday, August 13, 2026.

SUBMITTED BY:

Lynelle M. Lewis, District Clerk of the Board

APPROVED: August 13, 2026

David Aranda, Interim General Manager

Sylvia Hacaj, President of the Board

Date: August 13, 2026

To: Board of Directors

Submitted by: David Aranda, Interim General Manager

Subject: Treasurer's Quarterly Report for the Kensington Police Protection and Community Services District (April 2026 through June 2026)

Recommendation

Receive and file the Treasurer's Quarterly Report for the Police Protection and Community Services District (April 2026 through June 2026).

Background

Attached you will find the following: Summary Statement from California Class, Summary Statement from LAIF, Summary Statements from Five Star Bank.

Please note that the treasurers' quarterly report does not reflect any money that Contra Costa County is holding tied in with the Kensington Fire Protection Department. That money is still under the jurisdiction of the County Treasurer.

I certify that all funds are being managed according to the District's Investment Policy number 2020 and that the District can meet expenditure requirements for the next six months.

This Treasurer's Quarterly Report complies with Government Code 53646 and 53607.
David Aranda, Treasurer of KCSD

Exhibit(s)

- Policy 2020 Investment Policy

2020: Investment Policy

2020.10 Regulations:

- a) The State Legislature has declared the deposit and investment of public funds by local officials and local agencies is an issue of statewide concern (Government Code (GC) § 53600.6 and § 53630.1); and,
- b) Government Code Sections 53601, et seq., allow the legislative body of a local agency to invest surplus monies not required for the immediate necessities of the local agency; and,
- c) The fiscal officer of a local agency is required to annually prepare and submit a statement of investment policy and such policy, and any changes thereto, is to be considered by the local agency's legislative body at a public meeting (GC § 53646(a)).
- d) For these reasons, and to ensure prudent and responsible management of the public's funds, it is the policy of the District to invest funds in a manner which will provide the highest investment return with the maximum security while meeting the daily cash flow demands of the District and conforming to all statutes governing the investment of District funds.

2020.10.1 Scope:

This investment policy applies to all financial assets of the District. These funds are accounted for in the annual audited financial statements of the District and include:

- a) Demand Accounts
- b) Investments
- c) General Fund
- d) Local Agency Investment Fund [others]
- e) Operation and Maintenance Fund
- f) Enterprise Funds [others]

2020.10.2 Prudence:

The Board and persons authorized to make investment decisions subject to these policies are trustees and therefore fiduciaries subject to the prudent investor standard. When investing, reinvesting, purchasing, acquiring, exchanging, selling, or managing public funds, a trustee shall act with care, skill, prudence, and diligence under the circumstances then prevailing, including, but not limited to, the general economic conditions and the anticipated needs of the agency, that a prudent person acting in a like capacity and familiarity with those matters would use in the conduct of funds of a like character and with like aims, to safeguard the principal and maintain the liquidity needs of the District.

Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their own affairs,

not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived.

Investment officers acting in accordance with written procedures and the investment policy and exercising due diligence shall be relieved of personal responsibility for an individual security's credit risk or market price changes, provided deviations from expectations are reported in the next issued quarterly treasury report and appropriate action are taken to control adverse developments. When a deviation poses a significant risk to the District's financial position, the Board shall be notified immediately.

2020.10.3 Objectives:

As specified in GC §53600.5, when investing, reinvesting, purchasing, acquiring, exchanging, selling and managing public funds, the primary objectives of the investment activities, in priority order, shall be:

- a) Safety: Safety of principal is the foremost objective of the investment program. Investments of the District shall be undertaken in a manner that seeks to ensure the preservation of capital in the whole portfolio. To attain this objective, diversification is required in order that potential losses on individual securities do not exceed the income generated from the remainder of the portfolio.

KENSINGTON POLICE DEPARTMENT

MONTHLY ACTIVITY REPORT

July 2026

PREPARED BY:
Kensington Police Department

CHIEF OF POLICE:
Mike Gancasz

REPORT DATE:
August 1st, 2026

The monthly report provides an overview of the Police Department's activities. It includes statistical data and police activity logs representing some of the enforcement efforts and public safety trends this month. The report highlights department initiatives, accomplishments, and community engagement efforts.

Patrol Operations

Kensington Police managed 1,334 incidents, an increase from 905 in June. 1075 were officer-initiated activity, an increase from 758 the previous period and 259 were dispatched calls for service. Officer-initiated activity included 92 traffic stops, 349 building/security checks, and 7 vehicle/pedestrian checks. Officers issued 72 citations and 54 warnings, an increase from 42 combined last month.

Officers responded to 259 dispatched calls for service, an increase from the 150 calls handled in the prior period. Additionally, the department authored 19 investigative reports, of which 9 were NIBRS crime reports, a decrease from the 23 reports filed in June.

No arrests were made, representing a decrease from 1 in June.

Patrol operations continued with reduced staffing, requiring personnel to prioritize calls for service and community policing responsibilities, resulting in fewer opportunities for discretionary enforcement.

Table 1. Patrol Data Comparison by Month

Patrol comparison data, charts, and maps were unavailable this month due to maintenance on the RMS and the integration of crime analytics systems.

Metric	June 2026	July 2026
Total Incidents	918	1334
Dispatched Calls for Service	150	259

OTHER	PROPERTY FOR DESTRUCTION	NR	1
TOTAL			19

Traffic Safety

One non-injury hit and run collision was reported. A reduction from two in June.

Patrol Activity Log:

Date	Time	Location	Offense Statute	Offense(s)	Severity	Arrest	Summary
7/01/2026	12:29 AM	XX Rincon Rd, Kensington, CA 94707	484(A) PC	Theft of Property	Felony	No	A grand theft was reported at XX Rincon Rd, Kensington, CA 94707. No arrest was made, but the investigation is still ongoing.
7/01/2026	07:08 PM	XXX Los Altos RD Kensington, Ca 94707	459 PC	Burglary - From Motor Vehicle (F)	Felony	No	A vehicle burglary was reported at XXX Los Altos Rd, Kensington, CA 94708. No suspects were located, and the case remains pending follow-up.
7/02/2026	03:15 PM	109XX San Pablo Av. El Cerrito, Ca 94530	DTKPD	KPD DEA Drug Takeback	Administrative	No	A scheduled drug take-back collection was conducted at 109XX San Pablo Ave, El Cerrito, CA 94530. Items were collected, booked into evidence, and the case was closed administratively.
7/06/2026	04:00 AM	XX Kingston Rd Kensington, CA 94707	487(A) PC	Grand Theft – Vehicle Parts (F)	Felony	No	A grand theft of vehicle parts was reported at XX Kingston Rd, Kensington, CA 94708. No suspects were located, and the case remains pending follow-up.
7/06/2026	11:00 AM	XXX Coventry Rd, Kensington, CA 94707	487(A) PC	Grand Theft – Vehicle Parts (F)	Felony	No	A grand theft of vehicle parts was reported at XXX Coventry Rd, Kensington, CA 94708. No suspects were located, and the case remains pending follow-up.
7/07/2026	10:23 AM	XX Coventry Rd, Kensington, CA 94707	IMPOUND	IMPOUND	Administrative	No	A vehicle was impounded for expired registration at XXX Coventry Rd, Kensington, CA 94708.
7/09/2026	11:30 AM	109XX San Pablo Av. El Cerrito, Ca 94530	DTKPD	KPD DEA Drug Takeback	Administrative	No	A scheduled drug take-back collection was conducted at 109XX San Pablo Ave, El Cerrito, CA 94530. Items were collected, booked into evidence, and the case was closed administratively.
7/09/2026	06:42 PM	XXX Coventry Rd, Kensington, CA 94708	368(D)(1) PC	Elder Abuse – False Pretenses (F)	Felony	No	An elder care concern was investigated at XXX Coventry Rd, Kensington, CA 94708, involving potential financial fraud. There was no financial loss; the case was closed as informational.
7/10/2026	07:45 AM	XXXX Ocean View Ave, Kensington, CA 94706	459(A) PC	Burglary - From Motor Vehicle (F)	Felony	No	A vehicle burglary was reported at XXX Ocean View Ave, Kensington, CA 94708. No suspects were located, and the case remains pending follow-up.
7/10/2026	08:05 AM	XX Stratford Rd, Kensington, CA 94708	459(A) PC	Burglary - From Motor Vehicle (M)	Misdemeanor	No	A vehicle burglary was reported at XXX Stratford Rd, Kensington, CA 94708. No suspects were located, and the case remains pending follow-up.
7/10/2026	03:30 PM	XXX Coventry Rd, Kensington, CA 94707	484(A) PC	Petty Theft – From Vehicle	Misdemeanor	No	A petty theft from a vehicle was reported at XXX Coventry Rd, Kensington, CA 94708. No suspects were located, and the case remains pending follow-up.

7/12/2026	11:39 PM	XXX Kenyon Ave, Kensington, CA 94708	5150 W&I	Mental Health Evaluation	Administrative	No	A welfare check was conducted at XXX Kenyon Ave, Kensington, CA 94707, resulting in a mental health referral. No arrest was made, and the case was closed.
7/29/2026	07:3 AM	XX Ardmore Rd, Kensington, CA 94707	487(A) PC	Grand Theft – Vehicle Parts (F)	Felony	No	A grand theft of vehicle parts was reported at XX Ardmore Rd, Kensington, CA 94707. No suspects were located, and the case remains pending follow-up.
7/30/2026	11:30 AM	XXX Arlington Ave, Kensington, CA 94707	DTKPD	KPD DEA Drug Takeback	Administrative	No	The Kensington Police Department conducted the weekly prescription drug takeback at XXX Arlington Ave, Kensington, CA 94707, collecting and securing one pound 5.8 ounces of medication with no crime reported.
7/30/2026	02:25 PM	XXX Lawson Rd, Kensington, CA 94707	459 PC	Residential Burglary	Felony	No	Officers responded to XXX Lawson Rd, Kensington, CA 94707, for a report of a residential burglary. Three juvenile subjects were contacted and released by their parents.
7/31/2026	10:58 AM	XXX Kenyon Ave, Kensington, CA 94708	5150 W&I	Mental Health Evaluation	Administrative	No	A welfare check was conducted at XXX Kenyon Ave, Kensington, CA 94707, resulting in a mental health referral. No arrest was made, and the case was closed.
7/13/2026	03:50 PM	X Edgcroft Rd, Kensington, CA 94707	20002(a)(1) CVC	Duty where prop damaged: locate & notify owner	Misdemeanor	No	A report of property damage, with efforts to locate and notify the owner, was documented at X Edgcroft Rd, Kensington, CA 94707; the investigation is currently ongoing.
7/14/2026	05:31 PM	XX Arlington Ct Kensington, CA 94707	MP Aided	Misc. Person Aided	Administrative	No	A citizen assistance detail was generated at XX Arlington Ct, Kensington, CA 94707. A citizen requested the disposal of property.
7/16/2026	06:02 PM	Wellesley Ave/Kenyon Ave Kensington, CA 94707	487(A) PC	Grand Theft – Vehicle Parts (F)	Felony	No	A grand theft of vehicle parts was reported at Wellesley Ave/Kenyon Ave, Kensington, CA 94707. No suspects were located, and the case remains pending follow-up.
7/17/2026	04:50 AM	Arlington Ave/Ardmore Ave, Kensington, CA 94707	2800(A) PC	Failure to obey Peace Officer: Lawful Order or Inspection	Misdemeanor	No	Officers attempted to stop a vehicle for a non-moving vehicle code violation near Arlington Ave/Ardmore Ave, Kensington, CA 94707. The vehicle failed to yield and sped away from officers at a high rate of speed. Officers did not pursue and advised neighboring jurisdictions. Investigation in on-going.
7/17/2026	03:55 PM	XXX Plateau Dr, Kensington, CA 94707	594(A)(1) PC	Vandalism (M)	Misdemeanor	No	A vehicle vandalism was reported at XXX Plateau Dr, Kensington, CA 94707. The front passenger window was broken. No suspects were located, and the case remains pending follow-up.
7/23/2026	11:30 AM	XXX Arlington Av Kensington, CA 94707	DTKPD	KPD DEA Drug Takeback	Administrative	No	The Kensington Police Department conducted the weekly prescription drug takeback at XXX Arlington Av Kensington, CA 94707, collecting and securing 1.36 pounds of medication with no crime reported.
7/27/2026	16:38 PM	XXXXXX San Pablo Ave El Cerrito, CA 94530	5150 W&I	Mental Health Evaluation	Administrative	No	A welfare check was conducted at XXXXX San Pablo Ave, El Cerrito, CA 94530, resulting in a mental health referral. No arrest was made, and the case was closed.

Training: Readiness, Development & Compliance:

July training focused on maintaining operational readiness through a balanced combination of tactical instruction, investigative training, legal updates, and professional development. Training opportunities supported the Department's commitment to officer safety, effective service delivery, and continuous improvement by reinforcing core competencies while expanding specialized knowledge. Department personnel completed approximately 26 hours of cumulative training during the month.

2026 Taser Operators Course Recertification:

Department personnel successfully completed the 2026 Taser Operator Recertification Course, maintaining certification in the safe, effective, and lawful deployment of Conducted Energy Weapons. The course reinforced current case law, department policy, deployment considerations, medical protocols, and practical application through classroom instruction and hands-on proficiency exercises. Recertification ensures officers remain prepared to use less-lethal force options, enhancing officer safety and reducing the likelihood of serious injury during enforcement encounters.

Gun Violence Restraining Orders (GVRO) POST Self-Paced Training:

Personnel completed the POST-certified Gun Violence Restraining Orders training, reviewing California laws governing the issuance and enforcement of firearm restraining orders. The course emphasized legal requirements, investigative considerations, and collaboration with the courts to temporarily restrict firearm access for individuals who present a significant danger to themselves or others. This training enhances the Department's ability to proactively intervene in situations where violence may be preventable.

KPD Pre-Arrangement Release Protocol Training Bulletin:

Personnel reviewed the Department's Pre-Arrangement Release Protocol Training Bulletin, which standardized procedures for releasing arrested individuals under qualifying circumstances. The training reinforced documentation requirements, legal compliance, and consistency in decision-making while ensuring adherence to current departmental policy and applicable state law.

The 2026 Contra Costa Bail Schedule:

Personnel received instruction on the 2026 Contra Costa County Bail Schedule, including a review of current bail amounts, statutory updates, and booking considerations applicable to criminal offenses. The training promotes consistent application of countywide procedures and ensures officers remain informed of changes affecting arrest processing and judicial operations.

The Role of the Officer in Child Sexual Assault Investigations:

Personnel completed specialized training focused on the law enforcement response to child sexual assault investigations. The course emphasized trauma-informed interviewing principles, evidence preservation, multidisciplinary coordination, victim-centered investigative practices, and legal considerations unique to crimes involving children. This training strengthens the Department's ability to conduct thorough, compassionate, and legally sound investigations involving vulnerable victims.

Chief of Police

Volunteers in Police Services VIPS

Our Volunteers, Logan, Gill, and Haynes, contributed over 12 hours of service to the Police Department and the community. Their contributions included administrative support, fleet management, inspection of patrol fleet vehicles, and several special projects as assigned.

Reserve Officer Program

Our Reserve Officer, Michael Tranate, contributed over 36 hours of service to the Police Department and the community. His contributions included serving as a secondary officer on patrol, training, and projects as assigned.

Kensington Park'd

The District of Kensington hosted the popular Kensington Park'd event on July 11, 2026, bringing together residents for an evening of great food, live music, and community fellowship. The event provided an excellent opportunity for members of the Kensington Police Department to engage with residents in a relaxed and welcoming environment, answering questions, discussing neighborhood concerns, and strengthening positive relationships outside of traditional law enforcement interactions. Community events such as this continue to reinforce the department's commitment to accessibility and building trust through meaningful engagement.

Cookies with The Cops

A community engagement event was held on Wednesday, July 22nd, generously sponsored by Raxakoul Coffee and Cheese. The event drew a strong turnout from community members and created a welcoming atmosphere for connection and conversation. Our staff had the opportunity to engage with residents, exchange information, and answer questions.

Join us for our next community event, Police In The Park, on Wednesday, August 26, 2026, from 1:30 p.m. to 3:30 p.m. We invite you to come out and enjoy cookies, snacks, and refreshments. For more information about upcoming events, visit [KPPCSD.org](https://www.kppcsd.org), Instagram, or our Facebook page.

POLICE IN THE PARK

Gather your friends and meet us at the Kensington Community Park for an afternoon of relaxation, laughter, and connection. KPD will host snacks and refreshments, and we hope to see you there!

Wednesday August 26 from 1:30pm–3:30pm

59 Arlington Ave. Kensington, CA.

DATE: July 29, 2026

TO: David Aranda: General Manager

FROM: Eric Saylors: Fire Chief

RE: **Fire Chief's Report for the August 2026 Kensington Community Services District**

Fire Prevention

Second-round vegetation-management and defensible-space inspections for Kensington properties will begin in August. Fire Prevention personnel will revisit properties that require follow-up and verify that hazards identified during the first inspection cycle have been corrected. Residents who received a notice should complete the listed work before the reinspection date and continue maintaining their property through the remainder of fire season.

These inspections are intended to reduce the likelihood that wind-driven embers or surface fire will reach a home, improve access for emergency apparatus, and create safer operating space for firefighters. Typical corrective work may include removing dead vegetation and combustible debris, maintaining separation between plants, trimming vegetation away from roofs and chimneys, and keeping driveways, streets, and address markings clear.

Operations / Mutual Aid

Fire season is already active across the Pacific Northwest. At the time this report was prepared, the Northwest Geographic Area remained at Preparedness Level 5, with extensive large-fire activity and incident management teams assigned throughout Oregon and Washington. The El Cerrito-Kensington Fire Department has already deployed two specialty members to assist with fires in those states.

Every deployment provides immediate help to the affected jurisdiction while strengthening our own readiness. Personnel assigned to specialty or incident-management overhead positions work within large, complex interagency organizations and return with current practices, professional relationships, and real-world experience that cannot be fully duplicated in a classroom.

Through repeated assignments, advanced training, and national qualifications, several of our firefighters have developed national-level expertise in specialized wildland disciplines. That expertise strengthens our communications, logistics, planning, leadership, and ability to manage a major wildfire or other complex disaster at home. We will continue to support qualified deployments while maintaining local staffing and response coverage.

Red Flag Days: Wind Changes the Risk

A Red Flag Warning means that weather and fuel conditions can support rapid fire growth. Every Red Flag Day deserves attention, but wind is often the factor that transforms a manageable ignition into a fast-moving regional emergency. Strong winds increase the rate of spread, push embers far ahead of the main fire, topple trees and power lines, reduce visibility, create new ignitions, and sharply reduce the time available for suppression and evacuation.

For residents, the distinction matters. A Red Flag Day with lighter winds remains a priority because fuels are dry and any ignition can grow. A Red Flag Day with forecast strong winds requires a much higher level of readiness because the fire may move faster than resources can contain it and faster than roads can absorb an evacuation.

The chart below presents selected catastrophic, wind-driven California fires from the last decade. Official reports do not consistently publish incident-wide average wind speeds, so the chart uses documented critical-period gusts at or near each incident. The values come from different weather stations and analytical methods and should be treated as representative, not directly comparable.

Chart note: Values are selected observed, analyzed, or reported gusts—not incident-wide averages. “Major fire” has no single official definition. *Woolsey: 48 mph was observed at Cheseboro during rapid fire expansion; the same after-action review anticipated mountain gusts of 50–70 mph.

WIND DOES NOT CREATE A SINGLE DISASTER THRESHOLD

The repeated pattern is clear: as winds increase, fire spread accelerates and the margin for successful suppression and evacuation narrows.

Aerial Firefighting in the East Bay Hills

Much of the open-space terrain east of El Cerrito and Kensington is steep, heavily vegetated, and difficult for ground crews to access. These parklands cross multiple fire-protection responsibility areas and are protected through coordinated local, regional, park-district, and state mutual aid. When a fire starts in remote terrain, aircraft may be requested or dispatched early, depending on the exact location, resource availability, daylight, visibility, and weather.

Under suitable conditions, helicopters and fixed-wing aircraft can drop water or retardant to slow a fire, cool active edges, reinforce ridgelines, and buy critical time for ground crews. This is an effective component of the East Bay Hills response model and can help prevent a remote fire from reaching neighborhoods.

Aerial firefighting is never guaranteed. High winds, turbulence, smoke, terrain, visibility, and aircraft-specific operating limitations can reduce aircraft effectiveness or force missions to stop. Official reviews of the 2025 Palisades and Eaton fires documented extreme winds that severely limited or grounded aerial operations. For local planning, forecast ridge-top gusts approaching or exceeding 50 mph should be treated as a serious escalation indicator—not as a universal aircraft cutoff. The operational decision will always depend on real-time conditions and the capabilities of the assigned aircraft.

How the Response Model Works

1 EARLY DETECTION + DISPATCH Local units, park resources, mutual-aid partners, and air-resource requests are coordinated as quickly as conditions warrant.	2 AIR SUPPORT WHEN CONDITIONS ALLOW Aircraft can slow fire spread, reinforce ridges and flanks, and buy time for crews to reach difficult terrain.	3 GROUND ATTACK + COMMUNITY PROTECTION Ground crews contain the fire, protect structures, support evacuation, and hold the fire away from neighborhoods.
---	---	---

HIGH WIND CAN REMOVE THE AERIAL ADVANTAGE AT THE SAME TIME FIRE SPREAD ACCELERATES

That combination—faster fire movement, more long-range spotting, reduced visibility, and fewer aerial options—is what makes extreme-wind Red Flag events uniquely dangerous.

Leave-Early Planning for Extreme-Wind Events

Because extreme wind can accelerate fire spread and reduce aerial options, the Department should continue developing a leave-early recommendation framework for the most evacuation-constrained areas of Kensington and El Cerrito. The framework would be considered when a Red Flag Warning is paired with forecast extreme winds, particularly when ridge-top gusts approach or exceed 50 mph.

A leave-early recommendation would not be an Evacuation Warning or an Evacuation Order, and it would not replace either. It would be a preparedness message encouraging residents who need additional time—or who prefer to avoid the risks of smoke, power outages, falling trees, and traffic congestion—to relocate before a fire starts. Priority audiences would include people with mobility, medical, sensory, or transportation needs; households with children; and residents moving pets.

CAL FIRE defines an Evacuation Warning as a potential threat and directs people who require additional time and those with pets or livestock to leave immediately. The same principle supports advance planning on forecast extreme-wind days: residents should not wait for conditions to become dangerous before acting.

RED FLAG DAY	Monitor forecasts and official messages. Complete preparations, keep vehicles fueled, and be ready to leave without delay if a fire starts.
RED FLAG + EXTREME WIND FORECAST	Residents who need more time should consider relocating early. The Department may issue leave-early preparedness guidance for identified high-risk areas.
EVACUATION WARNING / ORDER OR UNSAFE CONDITIONS	Leave immediately and follow official routes and instructions. Do not wait for an order when fire, smoke, falling trees, or blocked access already makes remaining unsafe.

Resident Readiness Checklist

- Enroll in the Contra Costa Community Warning System and monitor National Weather Service and official Fire Department messaging.
- Keep vehicles fueled, devices charged, and medications, go-bags, documents, and pet supplies ready.
- Know at least two routes out of the neighborhood; park facing out and keep narrow streets clear for emergency apparatus.
- Leave immediately when warned—or sooner if conditions feel unsafe. Do not wait for an Evacuation Order when fire or smoke is already threatening your location.

LEAVE EARLY IS A PREPAREDNESS OPTION

It is not a substitute for following an official Evacuation Warning or Evacuation Order.

Selected Sources and Chart Methodology

National Interagency Fire Center, National Fire News (July 29, 2026); Sonoma County, 2017 Wildfires After-Action Report and 2019 Kincade Fire After-Action Report; NOAA/National Weather Service, November 2018 Camp Fire Service Assessment; Los Angeles County, After Action Review of the Woolsey Fire Incident and January 2025 Alert and Evacuation Systems Review; California Board of Forestry and Fire Protection, North Complex Fire case study; Los Angeles Fire Department, Palisades Fire After-Action Review; CAL FIRE evacuation terminology; East Bay Regional Park District, Wildfire Hazard Reduction and Resource Management Plan; National Wildfire Coordinating Group, Basic Air Operations. Chart values represent selected critical-period gusts and are not incident-wide averages.

Kensington Community Services District

DATE: August 13, 2026

TO: Board of Directors

FROM: David Aranda, Interim General Manager (IGM)

SUBJECT: Request to Approve Amending the Fiscal Year 2027 Budget

RECOMMENDATION:

Approve the Fiscal Year 2027 budget as presented with the noted amendments.

BACKGROUND:

As noted at the June 2026 board of directors meeting, the board of directors approved the Fiscal Year 2027 budget and the IGM noted that some changes may need to be made. Please note the following changes to the Fiscal Year 2027 budget the IGM is requesting the board approve:

- El Cerrito Contract Fee-\$4,897,000 approved, \$4,923,081 recalculated. The City of El Cerrito did not provide this information until July 6, 2026. \$26,081 additional expense.
- El Cerrito Reconciliation fee-\$80,000 approved, \$127,638 recalculated. Reason as noted above. \$47,638 additional expense.
- Risk Management Insurance General Fund-\$65,000 approved \$47,245 recalculated. This expense was reduced by \$17,755 due to the General Manager working with SDRMA to lower the property/liability rate.
- Risk Management Insurance-Fire Department-\$0 approved, \$34,000 recalculated. Reasons that the budget failed to capture the fire vehicles that needed to be covered. \$34,000 increase.
- Police Salaries-Police Department-\$1,471,456 approved, \$1,532,278 recalculated. Reason, there were increases in salaries and incentives that were not captured when the budget was being compiled. \$60,822 increase.

- Police Building Lease-Police Department-\$80,000 approved, \$12,600 recalculated. Reason, the building was paid for in July so only the licensing fee needs to be paid throughout the year. \$67,400 Decrease.
- Capital Purchase, Police Department- \$0 approved, \$190,000 recalculated. Reason, Board approved the capital purchase of the modular building for the police department. \$190,000 increase.
- CalPERS District Share-Police Department- \$284,000 approved, \$436,194 recalculated. Reason, The IGM missed the unfunded liability billing that CalPERS bills for, separate from the payroll deduction. \$152,194 increase.
- The IT budget was approved for \$15,000 and the IGM is asking to increase it to \$25,000 and an increase of \$10,000 to fund the work that is necessary in upgrading the public safety building to house administrative staff.

Attached is the revised budget in detail and the revised budget overview sheet.

Date: August 13, 2026
To: Board of Directors
From: David Aranda, Interim General Manager
Subject: Update on KCSD's Checking and Savings Accounts, Restricted Money, and Operational Fund Needs

Recommendation

This is not an action item but provides the Board of Directors with important financial information.

Background

Director Watt requested a report that would assist him and all directors in understanding the unrestricted cash of the district, essentially providing details of the amount of money that is designated or reserved for specific purposes and the amount of money that may be available, especially if the district was going to consider a large capital project expense, such as a new police building.

The district staff and consultants continue to work on the full consolidation process and so, as the fiscal year ended some bank accounts were closed and money was consolidated. Please note the following accounts of the Kensington Community Services District:

Five-Star Account 780 is the CSD checking account that all payables are made from, twice per month. It is also where the payroll account monies are drawn from. Balance July 31st is \$438,401.

Five-Star Account 772 is the CSD payroll account that is funded to pay payroll drawing money from the CSD checking account. Balance July 31st is ZERO.

Five-Star Account 8817 is the CSD's holding for the Flexible Spending Account (FSA) that employees contribute to. This money is restricted and is offset with a liability account, so it does not affect the district's bottom line. Balance July 31st is \$4,770.

Five-Star Account 799 is the CSD's savings account. This account earns interest at a competitive rate. Balance July 31st is \$3,182,044.

LAIF is the State operated savings account. Most of the money in the LAIF account are dedicated to the Fire Contract requirements and replacement of fire vehicles and equipment. Balance July 31st is \$4,682,825. From that money, \$1,523,276 is reserved for fire rolling stock reserves and \$2,461,540 is reserved for six months operating reserves as per the fire contract with El Cerrito. That would leave \$698,009 in the fund that is NOT reserved for any specific project.

California CLASS (CC) is another financial institution, like LAIF the district uses.

DATE: August 13, 2026

TO: Board of Directors

FROM: David Aranda, Interim General Manager (IGM)

SUBJECT: Review of Fiscal Year 2026 Comparing Budget to Actual and to Ridgeline Projections

RECOMMENDATION:

BACKGROUND:

This is a non-action agenda item that provides some information regarding the fiscal year that just ended, July 1, 2025, through June 30, 2026.

The narrative below is first discussing the actual unaudited revenue and expenses for the fiscal year as compared to the budget. The second part of the narrative provides some insight as to the actual expenses as compared to the Ridgeline projections for fiscal year 2026.

- The General Fund revenue budget to actual was a bit over budget. The expenses in the general funds were a bit under budget. There were no outstanding concerns. Legal fees exceeded the budget due to the CalPERS audit.
- The police fund revenue budget to actual was a bit over budget. The overall expenses were a bit over budget. Salaries exceeded the budgeted amount. Primarily due to the MOU that went into effect along with some uncalculated incentive pay. It should also be noted that overtime was over budget due to some unbudgeted events (A No Kings protest, the food cart events, and the Kensington Parade). I have the highest regard for the oversight and tracking the Chief does regarding overtime. Should any director wish to view the breakdown of overtime for the fiscal year please contact me. The other area of expenses exceeding the budget revolve around fleet related expenses. Fuel costs and repair costs exceeded the estimates for the year and the IGM miscalculated the lease costs for the fiscal year.
- The parks department exceeded budgeted estimates for revenue. Operating expenses were below budgeted expectations. The capital costs, as shown on the spreadsheet are a bit misleading because of the money that was captured and used by KCC to fund the capital project for the recreation building. Should a director wish for a more detailed explanation of the money in and out for that project, please let me know.

- Solid waste exceeded revenue expectations and was below budgeted expenses. Once the audit is complete funds that exceed expenses for the year will be placed in a restricted savings account.
- The fire department was right on with revenue budgeted and revenue received and a bit below in actual expenses as opposed to the budgeted expenses.

Now, some comments about the spreadsheets that provide the Ridgeline projections for fiscal year 2026 as opposed to the actual revenue and expenses:

- The general fund revenue by Ridgeline combined the property tax, where the fiscal year financials for the year separated property tax from fire as opposed from the KPPCSD.
- Salaries, 807 are not comparable with Ridgeline projecting administrative staff on payroll, which included the full-time General Manager and additional administrative staff. The actual operations for the fiscal year reflected staff from the fire department coming over as consultants but the hiring of a full-time general manager and other full-time administrative positions did not occur.
- For police actual revenue received exceeded Ridgeline projections primarily because the SLESF money was not in the Ridgeline projection. As noted in the fiscal year 2026 actual to budget, the actual salary line items exceeded Ridgeline projections and the district budget primarily due to an MOU that did not reflect Ridgeline projections, incentive pay that was not incorporated in the budget with Ridgeline and overtime that was not expected due to special events.
- Workers' compensation significantly changed from when the Ridgeline projections were worked on to the actual bill received (code 530, line 41).

As noted in the budget to actual, fleet maintenance (561, line 67) exceeded both Ridgeline projections and the budget and is explained above.

The parks department and the Waste Management department did not have any significant difference between Ridgeline projections, budgeted 2026 numbers and the actual numbers.

The fire department has some noticeable differences between Ridgeline projections and the actual operations for fiscal year 2026. The Hazardous Vegetation Removal Grant was significantly increased by the board from when the Ridgeline projection was worked on. There were staff costs in payroll because of the combining of districts not taking place until October, where Ridgeline made an assumption that there would be no payroll costs for the fiscal year.

Since the merger did not take place for all of 2026 and a few other changes, the Ridgeline projection for 2026 is not that far off from the actual fiscal year operations for both revenue and operational costs.

DATE: August 13, 2026

TO: Board of Directors

FROM: David Aranda, Interim General Manager (IGM)

SUBJECT: Discussion of the Fiscal Year 2027 Budget as Compared to Ridgeline Projections

RECOMMENDATION:

This item is for discussion.

BACKGROUND:

The Board of Directors requested a comparison of the Fiscal Year 2027 budget (amended as noted in the previous agenda item) as compared to the Ridgeline projections. Attached are the spreadsheets showing the comparable dollar amounts. The bullet points below attempt to provide some explanation on the differences between Ridgeline and the actual budget for Fiscal Year 2027.

- The primary dollar difference between Ridgeline and the Fiscal Year 2027 budget submitted by staff and approved by the board would be the salary line item. The Ridgeline projection was based on a full-time General Manager and additional administrative staff working for the district in 2027.
- Overall, the Ridgeline projections as compared to the actual police budget for 2027 are comparable. Line items differ, especially the salary for police officers. The Ridgeline projection was made before the district approved MOU with the Police Officers Association.
- For the fire department, increases over what Ridgeline projected are found in the contract fee, reconciliation cost, and utilities. The Emergency preparedness coordinator fee and the vehicle insurance costs were not incorporated in the Ridgeline estimate.
- For the parks department the increase that the board approved to fund capital projects in the park were not reflected in the Ridgeline projections.
- For Waste Management the District budget includes consulting fees and legal fees, which Ridgeline did not include.

A comparison of the overall revenue between Ridgeline and the Fiscal Year 2027 budget is aligned. The expenses between Ridgeline's projections and the district's budget reveal capital costs in parks that were not discussed with Ridgeline and even though Ridgeline worked with the Fire Chief on the El Cerrito contract estimates, what the district had submitted by El Cerrito for Fiscal Year 2027 is significantly different than what was projected. Questions and comments are welcomed.

EXHIBIT(S):

- Updated In Progress FY 27 Budget with Ridgeline Comparison

Item #16a

DATE: August 13, 2026

TO: Board of Directors

FROM: David Aranda, Interim General Manager
Mary A. Morris-Mayorga, Consultant

SUBJECT: Approve FY 2026-2027 El Cerrito-Kensington Fire Services Contract Fee Schedule

RECOMMENDATION:

Staff recommends the Board of Directors approve the FY 2026-2027 Fee Schedule for El Cerrito-Kensington Fire Department Contract.

BACKGROUND:

Each year, the district receives the El Cerrito-Kensington Fire Services Contract Fee Schedule in accordance with the agreement for fire services between the district and City of El Cerrito. The Finance Committee typically meets in May to receive a presentation of the next fiscal year's schedule; however, this year it was not possible due to timing of the El Cerrito budget process. Chief Saylor provided the fee schedule (attached) which is approximately \$255,000 above the projection developed by Ridgeline Municipal Strategies LLC as part of the fiscal analysis.

The first page of the schedule contains the line-item detail with associated Kensington percent allocations for the Fiscal Year 2026-27 budgeted fee. The second page provides the reconciliation of the most recently completed, audited fiscal year, Fiscal Year 2024-25. This reconciliation amount is then added to the current year's fee (or subtracted for years in which there is a credit).

FISCAL IMPACT:

The Fiscal Year 2026-27 Budget contains the updated El Cerrito-Kensington Fire Services Fee Schedule as reflected in the budget amendment for approval this evening.

Kensington Community Services District

DATE: August 13, 2026

TO: Board of Directors

FROM: David Aranda, Interim General Manager
Mary A. Morris-Mayorga, Consultant

SUBJECT: Authorize staff to develop a eucalyptus risk awareness and mitigation program

RECOMMENDATION:

Staff recommend that the Board authorize staff to develop a eucalyptus risk awareness and mitigation program.

Budget and program details will come back to the Board for approval in advance of incorporating it into the FY 2027-28 Budget.

BACKGROUND:

As detailed in the attached report, eucalyptus is a wildfire hazard that exists in Kensington which would benefit from development of a public education and mitigation program. The cost to develop the program would be included in staff and consultant time; however, there may be costs associated with program specifics such as eucalyptus removal.

This is in the conceptual stages so staff would proceed with program development if there is Board consensus on the recognition and mitigation of the hazard.

FISCAL IMPACT:

The fiscal impact is not yet known but will be manageable within the FY 2027-28 Budget with staff seeking federal, state, or local grant funding if available.

EXHIBIT(S):

Staff report prepared by Johnny Valenzuela, Emergency Preparedness Coordinator

Kensington Community Services District

Date: August 13, 2026

To: Board of Directors

From: Johnny Valenzuela

Subject: Authorization to explore a eucalyptus risk awareness and mitigation program

Purpose:

The purpose of this action is to formally acknowledge that eucalyptus trees and associated debris can contribute to wildfire intensity and ember production in Kensington. A formal Board acknowledgment of this risk will provide clear policy direction for staff and partners to expand resident education on practical, property-level actions, presented as a graduated set of options including litter cleanup, limbing, thinning, and, where appropriate, full abatement. At this time, no budget appropriation is requested; the recommended action is to authorize staff to explore and develop program concepts that support eucalyptus risk awareness and management.

Background:

Eucalyptus vegetation and related debris are recognized contributors to elevated wildfire hazard in wildland-urban interface communities similar to Kensington. Kensington's topography and existing designation as a Very High Fire Hazard Severity Zone make it particularly important to provide residents with clear guidance on managing these fuels at the parcel level. Program exploration is intended to build on and coordinate with existing wildfire mitigation partners, including Firesafe Kensington and Kensington Firewise Communities, to leverage their networks and expertise and to position KCSD and its partners for future grant opportunities.

Recommendation:

Move to acknowledge the wildfire risk posed by eucalyptus trees and associated debris in Kensington and to approve the exploration and development of programs that raise resident awareness of risk-reduction measures—such as litter cleanup, limbing, thinning, and abatement—in coordination with wildfire mitigation partners and without budget appropriation at this time.

Kensington Community Services District

DATE: August 13, 2026

TO: Board of Directors

FROM: David Aranda, Interim General Manager (IGM)

SUBJECT: Approve the procedures for Kensington Community Services District to Follow Regarding Hiring and Retaining Retired Annuitants in the CalPERS Retirement System

RECOMMENDATION:

Approve the attached Policy and Procedure document in hiring retired annuitants from the CalPERS retirement system.

BACKGROUND:

Upon the recommendation of legal counsel, the Board of Directors should implement the attached procedures for staff to follow when hiring employees for the Kensington Community Services District who were affiliated in anyway with the CalPERS retirement system.

With Board approval, it would be the responsibility of the district's hiring party (Supervisor and Human Resources) to use the attached information to confirm that the hiring process follows the CalPERS retirement system's rules.

The IGM suggests that all applications related to hiring employees for the District have a paragraph that confirms the applicant was or was not affiliated with the CalPERS retirement system. A prospective applicant, by checking the box acknowledging they were affiliated with the CalPERS system would then trigger the process of going through the attached document.

The IGM suggests that it might be a rule for the General Manager to contact legal counsel to make sure the district has properly handled the situation in hiring a retired annuitant.

EXHIBIT(S):

- Processes And Procedures: CalPERS Retired Annuitant Hiring And Reporting For Kensington Community Services District

**PROCESSES AND PROCEDURES:
CALPERS RETIRED ANNUITANT
HIRING AND REPORTING
FOR
KENSINGTON COMMUNITY SERVICES
DISTRICT**

Kensington Police Services District

Retired Annuitant Procedures

SUBJECT

Pre-hire and reporting procedure for retired annuitant appointments.

PURPOSE

The purpose of this document is to outline the pre-hire and post-hire processes for the Kensington Community Services District (“District”) when appointing a retiree of the California Public Employees’ Retirement System (“CalPERS”) with the intention that they retain their retired status, in order to maintain compliance with the working after retirement rules contained in the Public Employees’ Retirement Law and the Public Employees’ Pension Reform Act.

DEFINITIONS

1. **Appointment Types:** The type of retired annuitant appointment, based on intent behind the appointment, whether the appointment is to: (a) provide extra-help under Government (“Gov.”) Code §21224 and §7522.56, (b) fill a vacant position subject to Gov. Code §21221(h), or (c) fill a position during an employees’ leave of absence under Gov. Code §21221(g).
 - a. **Extra Help:** An appointment during an emergency to prevent stoppage of public business or because the retiree has specialized skills needed to perform limited duration work.
 - b. **Leave of Absence:** An appointment approved by the District’s Board through a resolution that specifies that the appointment requires specialized skills, that the position is available due to a permanent employee’s leave of absence, and that the appointment shall not exceed 12 months, where the appointment immediately ends upon the permanent employee’s return, if prior to the end of the 12 months.
 - c. **Vacancy:** An appointment to a position in order to prevent stoppage of public business or because the position requires specialized skills, when that position is vacant and only while active recruitment for a permanent appointment is ongoing.
2. **Hour Threshold:** The 960-hour per fiscal year threshold for retired annuitants, measured from July 1 to June 30 of each year. The 960 hour limitation aggregates all hours worked in retired annuitant appointments for all CalPERS employers during the fiscal year. The maximum hour threshold always applies, unless there is a documented connection to an active executive order from the California Governor, which only applies to related duties, hours, and dates.
3. **Limited Duration:** A period of up to 24 consecutive months, which may only be extended by 12 months twice if specified conditions are met, for a total of 48 consecutive months, applicable to Extra Help Appointments.

Kensington Community Services District

Retired Annuitant Procedures

4. **Most Comparable Position:** The minimum and maximum compensation rate for a retired annuitant must be based on the minimum and maximum salary range for the most comparable position, as defined on a compliant publicly available pay schedule. The most comparable position is the position with duties that most closely align with the duties performed by the retired annuitant in practice. A determination of the most comparable position must be made for every retired annuitant appointment, before they begin work.
5. **my|CalPERS System:** CalPERS' online system and database used for reporting all employee data, including appointment details, compensation, and contributions.
6. **Publicly Available Pay Schedule:** The District's salary schedule or similar document, which is approved by the District's Board in open session and meets all requirements of Title 2 of the California Code of Regulations §570.5.
7. **Retired Annuitant ("RA"):** An individual who is currently a retiree from CalPERS and will be hired into, or is already engaged, in post-retirement employment with a CalPERS employer.

Kensington Community Services District

Retired Annuitant Procedures

PROCEDURES AT A GLANCE

1. Prior to Hiring:

1. Identify retirement status and relevant information.
2. Determine if the bona fide separation of service requirement applies.
3. Confirm if the 180-day post-retirement wait period applies.
4. Confirm if the individual has received unemployment insurance compensation arising out of prior employment subject to Gov. Code §7522.56 within the 12 months prior to the RA appointment start date.
 1. If not, have the RA complete and sign the unemployment insurance certification form, and retain in District records.
5. Identify RA appointment type: Extra-Help, Leave of Absence or Vacancy.
6. Ensure appointment details and any employment documentation complies with post-retirement employment requirements:
 1. Appointment type and intent
 2. Timeframe of appointment, based on appointment type
 3. 960-hour per fiscal year limitation
 4. Identify permanent position that is most comparable to the duties to be performed by the RA
 5. Limit RA appointment compensation to only base salary within approved salary range of most comparable position
 6. Ensure no other compensation or benefits are provided for the RA appointment beyond the base salary rate
7. Confirm whether a current and active Executive Order from the California Governor applies.

2. After Hiring and During Appointment:

1. Create new my|CalPERS non-contributory appointment for the RA, with a start date as of the retiree's first day on payroll, within 30 days of the effective date of hire.
2. Monitor hours assigned and worked by RA to remain under 960-hour threshold.

Kensington Community Services District

Retired Annuitant Procedures

3. Monitor hourly rate to ensure RA remains within approved salary range of the most comparable position.
 4. Monitor Recruitment for Vacancy Appointments
 5. Monitor leave time for Leave of Absence Appointments
 6. Monitor Limited Term Duration of Extra-Help Appointments
 7. Confirm whether an applicable Executive Order from the Governor is still in effect
 8. Submit compensation and payroll report for the RA appointment in my|CalPERS within 30 days following the last day of the pay period in which the RA worked.
3. Post-Appointment:
1. Separate RA from District employment.
 2. Ensure appointment end-date is appropriately entered in the my|CalPERS system as the day after the last day on payroll.

Kensington Community Services District

Retired Annuitant Procedures

PROCEDURES

1. Pre-Hire Procedures

1.1	Identify retirement status and relevant information
During the hiring process, either within an application or during onboarding, confirm if the individual is a CalPERS retiree. If so, confirm the individual's retirement date.	
1.2	Confirm if the bona fide separation of service requirement applies.
If the RA appointment is intended to begin within 60 days after the individual's retirement, confirm whether there was a bona fide separation of service. A bona fide separation in service requirements apply when a member has not attained normal retirement age. To determine if the member has attained normal retirement age, confirm the following with the retired person: i. The member's age at the anticipated start of the RA appointment, and ii. All CalPERS pension formulas used to calculate their pension benefit. If a member's age at the anticipated start of the RA appointment is lower than the highest age used among all applicable retirement formulas, then the member will not have attained normal retirement age and the <i>bona fide separation of service requirements apply</i>. A bona fide separation of service requires that the member have no pre-determined agreement to return to work after retirement, and that they do not begin any RA appointment until 61 days or more after their retirement date. <u>Pre-determined Agreement:</u> If a member has not attained their normal retirement age, there cannot be an agreement between the member and the District made prior to retirement establishing that the member would return to work for the District after retirement as an RA. This can include any documentation or discussion of the member working in an RA appointment after retirement, and not necessarily a formal agreement. This also includes any agreement related to post-retirement disability employment under Gov. Code §21232. <u>60-day Wait Period:</u> The begin date for a RA who has not attained their normal retirement age cannot be within 60 days after their retirement date. Move onto next step only if: The member has attained their normal retirement age, OR	

Kensington Community Services District

Retired Annuitant Procedures

If they have not attained their normal retirement age, there is no pre-determined agreement to return to work for the District after retirement AND the begin date for the RA appointment is 61 calendar days or more after the prospective RA's retirement date.

1.3	Confirm if the 180-day post-retirement wait period applies.
-----	--

If the RA appointment is intended to begin within 180 days after the individual's retirement, confirm whether the RA appointment is of a retiree that is a public safety officer or firefighter hired to perform a function regularly performed by a public safety officer or firefighter. If so, the 180 day waiting period does not apply ("Safety Exception"). This exception is not available if the retiree accepted a retirement incentive.

If not, the 180 day waiting period may be waived pursuant to an Exception Resolution so long as the retiree did not receive any retirement incentive.

Exception Resolution: If the appointment is to a nonsafety position and is intended to begin within less than 181 days after the individual's retirement date, the District Board must approve a resolution certifying that there is a *critical need* to fill the appointment before the 180-day waiting period has passed. The resolution must be approved in open session and not on consent calendar.

Retirement Incentive: If the individual received a retirement incentive *from their last employer where they retired*, the RA appointment cannot begin until the 181st day after their retirement date. This includes when the individual retired from an employer that was not the District and received a retirement incentive from that employer. A retirement incentive includes, but is not limited to, any golden handshake, additional compensation or any agreement terms that provide a benefit to the individual conditioned upon retirement.

Move onto next step only if:

RA appointment is intended to begin after 181 calendar days or more have passed after the prospective RA's retirement date

OR

If the RA appointment is intended to begin within 180 days after the prospective RA's retirement date that: (i) the appointment meets the Safety Exception AND the prospective RA did not receive any retirement incentive, or (ii) the appointment is to a nonsafety position, the District Board approved a complaint Exception Resolution, AND the prospective RA did not receive any retirement incentive.

Kensington Community Services District

Retired Annuitant Procedures

1.4	Confirm if the individual has received unemployment insurance compensation.
After determining the expected RA appointment start date, confirm whether RA received unemployment insurance compensation arising from any prior employment subject to Gov. Code §7522.56 within the 12 months prior to the start date. If prospective RA did not receive unemployment insurance compensation, have them complete and sign an unemployment certification form. If they did, they cannot be appointed to an RA appointment until the 12 months have passed. Move onto next step only if: RA did not receive unemployment insurance compensation as described above AND has completed and signed an unemployment insurance certification form.	
1.5	Identify RA appointment type: Extra-Help, Leave of Absence or Vacancy
The appointment type will be based on the District's need, intent behind the appointment, and, if used to fill a specific position, the employment status of that position. Confirm intent and relevant information with District management. <u>Extra-Help:</u> When the intent is for the RA to perform duties during an emergency to prevent stoppage of public business or because the retiree has specialized skills needed to perform limited duration work of less than 24 consecutive months, or with documented extensions, less than 48 consecutive months. Appointment must also NOT fall under the Leave of Absence or Vacancy Appointment types. <u>Leave of Absence:</u> When the intent is for the RA to perform duties requiring specialized skills in a specified position while a permanent employee is on a leave of absence, the appointment will likely need to be identified as a Leave of Absence appointment. These appointments cannot exceed more than 12 months and require the District's Board to approve a resolution stating that the appointment requires specialized skills and is needed due to a permanent employee's leave of absence, where the appointment will not exceed 12 months. As noted in below, also consider whether anticipated employment changes will require a future appointment type transition <u>and</u> whether another Exception Resolution is needed to waive the 180 day waiting period: If the permanent employee returns from their leave of absence and the RA is still needed, the District will need to transition the RA appointment to an Extra-Help appointment type, and meet all relevant requirements. The end-date of the Leave of Absence appointment must be before the employee returns from their leave of absence. If the permanent employee separates from their position, leaving the position vacant and the RA is still needed, the District will need to transition the RA appointment to a Vacancy Appointment type, and meet all relevant requirements. The end-date of the	

Kensington Community Services District

Retired Annuitant Procedures

Leave of Absence Appointment must be before the permanent employee's separation date and ongoing active recruitment **must begin before** the start date of the subsequent Vacancy Appointment. The RA cannot continue in the Vacancy appointment until the District Board has taken action to appoint the RA to the vacant position. This means that there might be a lapse of time between when the Leave of Absence appointment must end and the Vacancy appointment can begin.

If the RA is still within the 180 day period after their date of retirement, another Exception Resolution to waive the 180 day waiting period will be required before the RA can transition to the new appointment type.

Vacancy: When the intent is for the RA to perform duties during an emergency to prevent stoppage of public business or because the retiree has specialized skills, where those duties relate to a specified position that is currently vacant. An RA can only be appointed to a specific vacancy once. As such, the end of the appointment should be identified as the day prior to when the permanent appointee to the vacant position begins employment rather than a specific date, and ongoing active recruitment must be in effect during the entire appointment. Recruitment **must begin before** the start date of the Vacancy Appointment.

As noted in the procedures below, also consider whether anticipated employment changes will require a future appointment type transition and whether another Exception Resolution is needed to waive the 180 day waiting period:

If a permanent appointee to the vacant position begins employment, but the RA is still needed to ensure a smooth transition, the District will need to transition the RA appointment to an Extra-Help appointment type, and meet all relevant requirements. The end-date of the Vacancy appointment **must be before** the start date of the permanent hire.

If the RA is still within the 180 day period after their date of retirement, another Exception Resolution to waive the 180 day waiting period will be required before the RA can transition to the Extra Help appointment.

Move onto next step only if:

Each appointment type is considered, and the appropriate appointment type has been chosen.

1.6	Ensure appointment details and any employment documentation complies with post-retirement employment requirements.
-----	---

1. Appointment type and intent

Employment agreement and any documentation must identify the appointment type and justification related to the need for an RA, which supports the appointment type.

If the appointment is based on specialized skills or an appointment to a specified position, the employment documentation should outline those skills and the experience possessed by the RA

Kensington Community Services District

Retired Annuitant Procedures

that aligns with those skills or the duties of the specified position that the RA will be temporarily filling.

For each appointment type, employment documentation should explicitly state:

Extra-Help: Justification for needing an RA to perform the specific duties, and the RA's experience, education, or other factors which identify the RA has the skills necessary to address the emergency or specialized skills needed for the appointment.

Leave of Absence: Justification for needing an RA to perform the specific duties while an employee is on a leave of absence, and the RA's experience, education, or other factors which identify the RA can perform the duties of the related position.

Vacancy: Justification for needing an RA to perform the specific duties while recruiting for a permanent appointment, and the RA's experience, education, or other factors which identify the RA can perform the duties of the related position.

2. Timeframe of appointment, based on appointment type

Employment documentation must outline the timeframe based on appointment type.

Extra-Help appointments should specify a timeframe of an initial 12 months, but no more than 24 months, with up to two 12-month extensions, such that the appointment never exceeds 48 consecutive months.

Leave of Absence appointments should specify that the RA appointment will last no more than 12 months, identify the date of the 12-month threshold, and state that the RA appointment shall end on the day before the permanent employee on a leave of absence returns to work or terminates employment.

Vacancy appointments should not specify a specific end-date, but identify that the RA appointment shall end the day before the start date of any permanent hire into the vacant position.

3. 960-hour per fiscal year limitation

Employment documentation must state that the RA appointment shall not exceed 960 hours within any fiscal year, from July 1 to June 30, among all CalPERS employers and that monitoring hours are the responsibility of the RA.

Include notification to RA in employment documentation that the 960-hour threshold applies to all RA work across all CalPERS employers, and that the District cannot monitor hours worked at other CalPERS employers.

Kensington Community Services District

Retired Annuitant Procedures

4. Identify permanent position that is most comparable to the duties to be performed by the retiree

Employment documentation must identify the most comparable position. To determine the most comparable position, identify the position with defined duties that most closely align with those to be performed by the RA.

5. Limit RA appointment compensation to only hourly rate within approved salary range of most comparable position

Employment documentation must identify the hourly rate of compensation to be paid to the RA, which must fall within the defined minimum and maximum salary of the position with duties that are most comparable to those being performed by the RA.

The defined minimum and maximum salary for the most comparable position is that which is listed on an approved and compliant publicly available pay schedule.

If the payrate is listed as a monthly amount, divided by 173.333 to obtain the hourly rate.

6. Ensure no other compensation or benefits are provided for the RA appointment beyond the compliant hourly rate, and

No additional compensation or benefits beyond the compliant hourly rate should be provided to the RA. Employment documentation should explicitly state that no additional compensation or benefits are being provided to the RA, unless required by state or federal law.

Impermissible additional compensation or benefits include, but are not limited to special compensation, paid leave, travel reimbursements, incentive pay, health benefits. Overtime pay is permitted only if required by state or federal law.

Move onto next step only if:

All relevant and required information is documented within relevant employment documentation such as an employment agreement.

1.7

Confirm whether a current and active executive order from the California Governor applies

If the RA appointment is being made due to an ongoing emergency where an Executive Order from the California Governor has paused specific RA appointment requirements or otherwise exempted certain RA appointments from specific requirements, those considerations should be identified within the employment documentation.

Kensington Community Services District

Retired Annuitant Procedures

When the RA appointment is intended to assist in addressing an ongoing emergency which impacts the District, the emergency should be identified in employment documentation and an explicit connection between the RAs duties and the emergency should be outlined.

Further, the employment documentation should identify whether any RA appointment exemptions made through an Executive Order apply, and if so, that the RA appointment shall revert to regular RA requirements when the Executive Order is no longer in effect. For example, Executive Orders related to the COVID-19 pandemic lifted the 960-hour per fiscal year threshold requirement. If an RA was hired in an Extra-Help appointment during that time to assist with preventing the stoppage of public business due to the pandemic, employment documentation should have identified that the 960-hour limitation did not apply while the Executive Order was in effect, but that the limitation would immediately apply upon the Executive Order no longer being in effect.

Move onto next step only if:

No Executive Order applies, or language for any applicable Executive Order has been incorporated into employment documentation.

1.8

Hiring

When all steps above have been completed and the RA appointment complies with all requirements, then proceed with hiring the RA.

Kensington Community Services District

Retired Annuitant Procedures

2. Procedures After Hiring and During Appointment

2.1	Create new my CalPERS non-contributory appointment for the RA, with a start date as of the retiree's first day on payroll
Begin once appointment offer has been accepted by RA, employee and District have agreed on a start date, and personnel action forms have been completed. Within 30 days of an RA's first day on payroll, the District will need to add a non-contributory appointment in the my CalPERS system for the RA. The start date for the appointment must be the RA's first day on payroll, and must be entered before any payroll can be reported in the my CalPERS system.	
2.2	Monitor hours assigned and worked by RA to remain under 960-hour threshold.
Ensure RA hours are reported and paid as follows: 1. RA shall enter work hours into the inTime software each pay period, based on assigned duties and hours, or relevant scope of work for the RA appointment. 2. Direct Supervisor of RA approves timesheets after the 15th of each month and end of each month. Worked hours are then sent to Finance for processing. 3. Approved timesheets are then imported or manually entered into PayloCity for scheduled payroll processing. 4. Prior to payroll process, Pre-Process Payroll Register is submitted to General Manager for review, then approved for payment. 5. Once approved, Finance schedules/submits the payroll for processing 6. RA was appropriately paid for hours worked. Then, ensure hours for all RA appointments are monitored each pay period to ensure no RA exceeds the 960-hour per fiscal year threshold, from July 1 to June 30. 7. Once an RA reaches 900 hours within a fiscal year, notify the RA and their direct supervisor, and/or the General Manager to inform them that they cannot exceed 960 hours, unless an Executive Order exception applies.	
2.3	Monitor hourly rate to ensure RA remains within approved salary range of the most comparable position.
Ensure the hourly rate paid to the RA for the first pay period worked aligns with the equivalent rate of the most comparable position identified before they were hired, as listed on the District's publicly available pay schedule.	

Kensington Community Services District

Retired Annuitant Procedures

Anytime a salary range modification is approved for any position, such as a cost of living adjustment, general salary increase, or compensation study adjustment, that modification should be reflected on the District's publicly available pay schedule. When this occurs, verify whether that increase impacts any current RA appointments.

Anytime an RA is provided an increase to their hourly rate, ensure that the rate remains within the salary range of the most comparable position, as defined on the District's publicly available pay schedule.

2.4

Monitor Recruitment for Vacancy Appointments

Monitor ongoing recruitment regularly and ensure recruitment is ongoing and active throughout entire RA appointment.

Add relevant recruitment documentation to the RA appointment file, or further document actions taken towards recruitment within the month, then file that documentation within the RA appointment file.

Documentation examples:

- Posting the recruitment and opening to a website, or to a new website.
- Reviewing applications, performing interviews, internal discussions or meetings concerning applicants, and all general actions associated with recruitment.
- For internal recruitment, document which employees are being considered and how the District has made contact concerning the vacant position.
- If the District has reached out to individual candidates for a hard-to-recruit position, document any related research performed and the outreach to possible candidates.

Once a permanent employee begins employment in the vacant position, the RA appointment must cease.

If a permanent employee is hired and RA duties are still needed temporarily, RA must transition to an Extra-Help appointment. If the RA is still within the 180 day period after their date of retirement, another Exception Resolution to waive the 180 day waiting period will be required before the RA can transition to the Extra-Help appointment.

2.5

Monitor leave time for Leave of Absence Appointments

At the beginning of the appointment, notify the direct supervisor of the permanent employee on a leave of absence and responsible parties in human resources to coordinate any return date of the permanent employee from the leave of absence.

Kensington Community Services District

Retired Annuitant Procedures

Monitor permanent employee's leave of absence, and end Leave of Absence appointment before the permanent employee returns to work or terminates employment.

Monitor RA appointment monthly to ensure RA appointment lasts no longer than 12 months. Once the RA appointment reaches 11 months, notify the direct supervisor of the RA, and if different, the direct supervisor of the permanent employee on a leave of absence, and the General Manager.

If the permanent employee returns and RA is still needed, transition to an Extra-Help appointment. The Leave of Absence appointment must end before the permanent employee returns.

If permanent employee separates, position becomes vacant, and RA is still needed, transition to Vacancy appointment or Extra-Help appointment, depending on the position. The Leave of Absence appointment must end before the permanent employee's last day on payroll.

If the RA is still within the 180 day period after their date of retirement, another Exception Resolution to waive the 180 day waiting period will be required before the RA can transition to the new appointment type.

2.6

Monitor Limited Term Duration of Extra-Help Appointments

Monitor the duration of the Extra-Help Appointment monthly. An RA appointment should not exceed 24 months without documenting the need for an extension, and should not exceed more than 48 months in any circumstances.

Whenever possible, RA appointments should specify 12-month terms, up to the maximum 48 months.

When the initial term for an RA appointment is less than 24 months and shall end in two months, notify the direct supervisor of the RA and General Manager that the term will end in 2 months. If the RA appointment is still needed, extend appointment term up to the date that is no more than 24 months from the start date of the RA appointment.

Extensions

If the initial term for the RA appointment was identified as 12-months, follow normal human resources procedures to extend the appointment for an additional period not to exceed an additional 12-months.

If an RA is needed beyond 24 months, justification for up to two 12-month extensions should be documented, i.e., an extension for months 25-36 and a separate extension, for months 37-48. The extension and justification should only be made if the following findings are made before the extensions and identified in a memo that's placed in the RA's personnel file:

- An explanation of why the appointment must be extended,

Kensington Community Services District

Retired Annuitant Procedures

• An explanation why active employees cannot be used for the functions performed by the retiree, and • A description of a plan to transfer duties and/or knowledge to active employees or other retirees.	
2.7	Confirm whether an applicable Executive Order from the Governor is still in effect Monitor any applicable Executive Order from the California Governor that impacts RA appointments <i>monthly</i>. If an Executive Order impacts any active RA appointments, check: (i) CalPERS’ circular letter publications, and (ii) the Governor’s Executive Order publications. If an Executive Order applies to an RA appointment and an applicable RA exemption has been rescinded, notify the direct supervisor of the RA and the General Manager, in order to modify RA appointment according to any applicable RA requirements.
2.8	Submit compensation and payroll report for the RA appointment in my CalPERS . Monitor all RA payroll each pay period. Confirm Finance has approved RA payroll and confirm that the RA payroll identifies the correct number of hours and correct hourly rate. Confirm that the RA received no additional compensation or benefits on their payroll unless required by state or federal law. Ensure relevant payroll is reported in the my CalPERS system as “Earned Period No Contribution No Service” within 30 days of the last day of each pay period.

From: David Aranda, Interim General Manager
Subject: Approve a Proposal to Spend Up to \$11,000 to Upgrade the IT System so that Administrative Staff Can Properly Operate in the Public Safety Building

Recommendation

Approve a proposal to spend up to \$11,000 on equipping the Public Safety Building with network infrastructure for the administrative offices.

Background

The Public Safety Building has experienced some IT issues. About one month ago, a meeting was held with the representatives from El Cerrito along with Raymond Mar, who is the police consultant for IT operations.

This agenda item supports the possibility of administrative staff eventually working from the Public Safety Building. Raymond Mar's attached proposal explains how the work would be completed and provides a brief overview of why it is needed.

Mary and I will continue to work with the City and the Fire Department regarding the complaints about internet service.

Exhibit(s)

- Kensington Police Department Fire Station Admin Offices – Project Scope & Cost Estimates

Kensington Police Department

Fire Station Admin Offices — Project Scope & Cost Estimates

Prepared: July 2026

Overview

This document outlines the scope of work and estimated costs for the network buildout of the new Kensington Police Department administrative offices at the Fire Station. The project includes installation of new network equipment in the existing equipment rack, wireless coverage via three Wi-Fi 7 access points, mapping and patching of the existing network drops, coordination of a new business-class internet circuit, and reconfiguration of client devices for the new network.

All labor is billed at \$175/hr. Hardware is estimated at list price plus sales tax. A detailed hardware bill of materials and per-task labor estimates are provided below. Recurring internet service fees are billed directly by the carrier and are not included.

Cost Summary

Category	Est. Hours	Est. Cost
Hardware & Materials (incl. 8.75% sales tax)	—	\$3,026.51
Labor (all tasks, \$175/hr)	44 hours	\$7,700.00
Project Total	44 hours	\$10,726.51

Hardware Bill of Materials

Item	List Price	Qty	Extended
UniFi U7 Pro XG Access Point (Wi-Fi 7)	\$199.00	3	\$649.24
UniFi Switch Pro Max 48 PoE	\$1,299.00	1	\$1,412.66
UniFi UPS 2U (rack mount)	\$279.00	1	\$303.41
UniFi UXG-Lite Gateway	\$89.00	1	\$96.79
Cat6 Patch Cables	\$4.00	60	\$261.00
Rack PDU	\$279.00	1	\$303.41
Hardware Subtotal (incl. tax)			\$3,026.51

Extended prices include 8.75% sales tax. List prices reflect current Ubiquiti store pricing (July 2026) and are subject to change at time of order.

Project Details

Task 1: Network Equipment Installation

Scope of Work

- Install UPS, PDU, gateway, and 48-port PoE switch in the existing equipment rack
- Mount three U7 Pro XG access points and connect to PoE switch ports
- Dress and label all rack patch cabling
- Power up all equipment, verify link status, and confirm all devices are online

Assumptions

- Existing rack has sufficient open rack units and power capacity for the new equipment
- Access point locations are reachable without specialty lift equipment
- Existing network drops will be used for access point cable runs

Estimate

Hours: 8 hours

Cost: \$1,400 at \$175/hr

Task 2: Drop Mapping & Patching

Scope of Work

- Tone and map 30–40 existing network drops to their wall locations
- Label both ends of each drop (patch panel and wall plate)
- Patch active locations to the new switch
- Produce a port map documenting drop-to-switch assignments

Assumptions

- All drops are already installed and terminated; no new cable runs are included
- Existing terminations are serviceable; re-termination is limited to isolated cases

Estimate

Hours: 16 hours

Cost: \$2,800 at \$175/hr

Notes

If a significant number of drops fail testing and require re-termination or new runs, a revised estimate will be provided before proceeding.

Task 3: Network Configuration

Scope of Work

- Adopt the gateway, switch, and access points into the existing UniFi controller
- Configure VLANs, SSIDs, and wireless security to match operational requirements
- Configure firewall and routing policy on the gateway
- Validate wireless coverage; tune channel and transmit power settings
- Document final network configuration

Assumptions

- The client's existing UniFi controller will manage the new site; no new controller deployment is included
- Standard office network design; no complex segmentation beyond typical VLANs

Estimate

Hours: 12 hours

Cost: \$2,100 at \$175/hr

Task 4: Internet Circuit Coordination

Scope of Work

- Coordinate business-class internet circuit order and installation with the carrier
- Meet the circuit installer on site as needed and confirm demarcation handoff
- Connect the circuit to the gateway; verify throughput and stability

Assumptions

- Monthly service fees and carrier installation charges are billed directly to the client and are not included
- Circuit delivery timeline is controlled by the carrier

Estimate

Hours: 3 hours

Cost: \$525 at \$175/hr

Task 5: Client Device Reconfiguration

Scope of Work

- Reconfigure workstations, printers, and peripherals for the new network
- Verify connectivity, printing, and access to shared resources
- Resolve device-level issues arising from the cutover

Assumptions

- Typical small-office device count; devices are in working order prior to cutover

Estimate

Hours: 5 hours

Cost: \$875 at \$175/hr

General Terms

- Estimates are based on the project scope described above. Significant scope changes may require a revised estimate.
- Work will be scheduled at mutually agreed-upon times to minimize disruption to operations.
- Hardware list prices reflect current vendor pricing and are subject to change at time of order. Recurring internet service fees are the responsibility of the client.
- All work will be documented and handed off upon project completion.

Acceptance

By signing below, the Client acknowledges and accepts the project scope, assumptions, and cost estimates described in this document and authorizes the Consultant to proceed with the work outlined herein at the agreed-upon rate of \$175/hr.

Kensington Community Services District

DATE: August 13, 2026

TO: Board of Directors

FROM: David Aranda, Interim General Manager (IGM)

SUBJECT: Appointment of an individual to fill the director's seat made vacant by David Spath's resignation

RECOMMENDATION:

The Board should go through the interview process to the point of voting to appoint an individual to fill David Spath's vacant director's seat. A short break may be taken following that appointment so that the Clerk of the Board may swear in that individual to be seated immediately.

BACKGROUND:

The Board approved appointing a Kensington resident to replace David Spath. The appointment would be for service as a director until December 2026, when the election process will determine who is seated in David Spath's vacant director's seat.

The deadline for a Kensington resident to apply to be appointed by the Board of Directors is August 7th. To date (July 31, 2026) the IGM has one application.

Process: Based on the responses the District receives and the Board reviewing the applications of the individuals who applied, it would be typical for the President to work with the Board in interviewing the candidates and then a motion by a board member to select a candidate with a second and a vote to approve the candidate to be appointed.

NOTE: THIS COMPLETED AND SIGNED APPLICATION MUST BE FILED WITH David Aranda, KCSD Interim General Manager (DAranda@KCSD.org) by Friday, August 7, 2026

----APPLICATION FOR APPOINTMENT TO THE KCSD BOARD OF DIRECTORS----

This application is to fill a vacancy on the KCSD Board of Directors. The KCSD Board of Directors will review all submitted applications provided the applicants satisfy the stated qualifications. The Board may hold a public interview process for each candidate. This application is a public document, although your personal information will be redacted. Your application will be compiled with other applications and considered by the KCSD Board of Directors as a part of a noticed public meeting. Only Kensington residents who are registered voters in Kensington will be eligible for appointment.

Name: Adam Bastein

Residence Address: 182 Kenyon Ave., Kensington, CA 94708

Mailing Address (if different): _____

E-mail: Adam.Bastein@gmail.com

Phone Number: 510-520-8775

Are you currently a registered voter and a resident of Kensington, or will you be at the time of an appointment? Yes (yes or no)

Please include **your resume** and answer the following questions on a separate sheet(s) of paper.

1. Why do you want to be appointed to the KCSD Board of Directors?
2. What are your top three priorities for Kensington?
3. What relevant skills, experience and expertise do you bring to serving as a KCSD Board Director?
4. Provide your approach in handling a situation or matter that has very divisive points of view or conflicts with your personal philosophy.
5. If you could change one thing about how Kensington operates, what would it be and why?

You may also provide any additional information or comments you feel would assist the KCSD Board of Directors in considering your application.

Please note: At the time you would be appointed to the KCSD Board of Directors, you must be:

- At least 18 years of age and a resident and registered voter in Kensington.
- You must maintain Kensington residency and registered voter status throughout your term of office.
- Also, at the time of appointment (and annually as well as at the completion of your service), you will be required to complete and file a public Form 700 with the California Fair Political Practices Commission. Form 700 filings allow the public to know of any potential conflicts of interest related to your public service. These conflicts can relate to employment, property ownership, loans and gifts, stock ownership, and more. You are also required to disclose certain financial interests of your spouse (if applicable).
- During your term on the Board of Directors, you will be required to identify any potential conflicts (often with the assistance of the District Counsel) and to recuse yourself from voting on or otherwise influencing any action that might cause a financial or other conflict.

Please sign and return this form with the questions answered via an email to David Aranda, Interim General Manager at DAranda@KCSD.org. You may also drop off the form, answers and resume at the Kensington Community Services District, 10940 San Pablo Ave., Bldg. B., El Cerrito, CA 94530. On the envelope, please write "Attention David Aranda, Interim General Manager." Please do not mail the form, as it may not arrive at District offices by the deadline. If you have any questions about this application, please call Mr. Aranda at (661) 300-1231.

I, Adam Bastein (print name) swear/affirm that the foregoing information is true and correct.

Application for Appointment to the KCSD Board of Directors: Adam Bastein

1. Why do you want to be appointed to the KCSD Board of Directors?

I am interested in being appointed to the KCSD Board of Directors because I care deeply about Kensington and would like to help preserve and strengthen the qualities that make it such a special place to live: its safety, close-knit and inclusive community, and tradition of community-centered local governance.

As the father of two young children whom my wife and I intend to raise in Kensington, I have a vested interest in ensuring that it remains a wonderful place for families to live, grow, and build community. I believe I can bring a fresh perspective to the KCSD Board, including an understanding of the needs and priorities of young families who are investing their futures here.

At the same time, I also have deep connections to the local area. I grew up just over the border in the Berkeley Hills and my parents still live nearby. This gives me an appreciation for the broader and multigenerational needs of the community, including longtime residents and seniors who have helped shape Kensington over many years.

If appointed, I would approach the role with an open mind, inquisitiveness, willingness to study the details, and commitment to serving the entire community. I hope to contribute the skills and judgment developed through my professional experience along with my perspectives as a resident, parent, and someone with multigenerational connections to the area, as the Board works to address the District's priorities and plan responsibly for the future.

2. What are your top three priorities for Kensington?

My top three priorities for Kensington are:

1. **Emergency Preparedness:** Having grown up in the Berkeley Hills, I was directly affected by both the 1991 Oakland Firestorm, when my elementary school burned down, and the 1989 Loma Prieta earthquake. Those experiences shaped my view that emergency preparedness must be a core priority for a community like Kensington. I would like to help ensure that Kensington is well-prepared for natural disasters and that we continue to mitigate risk wherever possible/feasible. That includes supporting Firewise communities, reducing fire fuel, keeping evacuation routes and key thoroughfares clear, and ensuring that the Kensington Public Paths remain safe, accessible, and usable in an emergency.
2. **Public Safety:** One of the reasons why our family chose to move to Kensington is that it is a safe community with a relatively low crime rate. I would like to help ensure that it remains that way. As someone with multiple family members in law enforcement, I can appreciate that effective public safety depends on trust, communication, and close ties between the community and police. Accordingly, one of my priorities would be to support

the efforts to identify and secure a permanent home for the KPD, ideally within Kensington's borders.

3. **Kensington Park:** I consider Kensington Park one of the crown jewels of our community. My daughters and I spend time there almost every day, so I see firsthand how important it is as a gathering place for residents of all ages. Although it is already a beautiful park, I would like to support efforts to improve it in a thoughtful and financially responsible way. I would also like to explore opportunities to strengthen the park's role as a community hub through additional amenities and/or local events, such as the food truck nights.

3. What relevant skills, experience and expertise do you bring to serving as a KCSD Board Director?

If appointed as a KCSD Board Director, I would bring a business background with expertise in strategy, operations, financial analysis, and decision-making.

Throughout my career, I have worked in roles that require me to evaluate complex issues, assess trade-offs, analyze data, and help organizations make thoughtful decisions with limited resources. My experience includes advising companies across many different industries as a management consultant and serving in leadership positions at organizations ranging in size from early-stage start-ups to a Fortune 500 company.

I currently serve as Chief Operating Officer of a small consumer technology company, where I help set company strategy, play a key role in annual planning and budgeting, and oversee business operations.

From these roles, I also have extensive experience navigating ambiguous situations and working with stakeholders who bring different viewpoints and concerns. I believe this would be valuable in the KCSD Board Director role, where Directors should listen with an open mind, ask informed questions, evaluate competing priorities, and ultimately make decisions in the best interests of the community.

If appointed, I would bring an analytical, collaborative, and detail-oriented approach to the KCSD Board, along with a commitment to being well-prepared and serving the entire Kensington community.

4. Provide your approach in handling a situation or matter that has very divisive points of view or conflicts with your personal philosophy.

As a member of the KCSD Board of Directors, I would expect to encounter a number of different matters on which residents hold divergent viewpoints.

When handling such a situation, my approach would be to begin by reviewing relevant materials, conducting research, holding discussions with stakeholders, and listening with an open mind. At this stage, I believe it is important to remain objective and respectful, to ask informed questions, and to avoid jumping to a conclusion too hastily. This process would help me develop an understanding of the facts, the different perspectives, and the potential trade-offs involved.

I would also try to separate underlying concerns from specific positions. Even when constituents disagree strongly about a proposed solution, they may share a common goal or concern. Identifying shared goals or concerns could help move the debate in a more constructive direction.

Ultimately, I would aim to support decisions that are fair, transparent, well-reasoned, and in the best interests of the community. Where consensus is possible, I would like to work toward it. If consensus is not possible, I would still want all residents to feel that the process was respectful, their views were heard, and that the Board's rationale behind its decision was transparent and explained clearly.

If I encounter a matter that conflicts with my personal philosophy, I would remind myself that serving on the KCSD Board is not about advancing my personal preferences, it is about making objective decisions that best serve Kensington as a whole. As with all other matters, I would review the available information, consider the perspectives of residents, staff, and fellow Board members, and evaluate the issue against the District's responsibilities and long-term interests.

5. If you could change one thing about how Kensington operates, what would it be and why?

While my perspective may evolve as I become more familiar with the details, if I could change one thing about how Kensington operates, I would like to see the District move beyond its recent period of transition toward greater long-term stability.

Kensington has made meaningful progress in recent years. It has strengthened its governance, completed the major renovation and retrofitting project of its firehouse, and moved through the significant process of consolidating local services under KCSD. These are important accomplishments that help provide a strong foundation for the future.

At the same time, there are still key areas where greater permanence would benefit the community, including hiring a long-term administrative leader for the District and securing a more permanent home for the Police Department. Resolving these issues will provide greater clarity, enable more informed long-term planning, and allow the KCSD Board, staff and community to focus more attention and effort on other initiatives that will benefit Kensington over time.

If appointed, I hope to help Kensington enter into this next phase through thoughtful decision-making, responsible planning, and clear communication with constituents. My goal would be to help the District build on the progress already made while continuing to strengthen the services, facilities, and community priorities that matter most to Kensington.

ADAM BASTEIN

Strategy and Operations Leader

510.520.8775 | adam.bastein@gmail.com | <https://www.linkedin.com/in/adambastein/> | Kensington, CA, 94708

SUMMARY

Strategy and operations leader with a strong track record of driving growth, improving efficiency, and delivering strong business performance across different consumer platforms. Led marketplace strategy and operations at Getaround, overseeing markets, scaling new segments and growing supply and demand across North America. Currently Chief Operating Officer at Elfster, leading operations and ensuring that organizational priorities are translated into effective execution.

SELECTED EXPERIENCE

ELFSTER

Berkeley, CA

Consumer marketplace platform for gift exchanges and wishlists, monetized through an affiliate driven business model that serves 45MM+ users globally

Chief Operating Officer

January 2026 – Present

Vice President, Strategy & Operations and Chief of Staff to CEO

September 2024 – December 2025

- Promoted to COO with expanded scope spanning Marketing, Business Intelligence, Merchandising, Customer Support and Human Resources
- Partner closely with CEO to define company strategy, establish annual operating priorities, and drive execution against key growth and operational initiatives across the business
- Led operational transformations across multiple functions, including redesigning Customer Support workflows and implementing AI-driven tools to improve scalability and achieve 25%+ efficiency gains
- Revamped Merchandising operating model, introducing new KPIs, tools, processes, and accountability frameworks to reverse year-over-year declines and deliver 30%+ growth in core engagement metrics
- Identified and resolved material monetization gaps through affiliate revenue audits and partner negotiations, securing significant recovered revenues and preventing future revenue leakage

GETAROUND

San Francisco, CA

Global peer-to-peer carsharing marketplace ("Airbnb of Cars") that provides instant bookings, a completely contactless experience, and 24/7 rentals available by the hour, day, or week.

Director of Go-to-Market and Marketplace Strategy

March 2022 – May 2024

- Grew Rideshare segment from ~3% to 20%+ of company revenues in 2 years by expanding marketplace participation (hosts and renters), introducing new Product features, and strengthening partnerships with Uber
- Launched and scaled a new traveler demand channel via partnership with Kayak (travel aggregator), reducing customer acquisition costs by 40% while expanding marketplace demand
- Partnered cross-functionally across Product, Marketing, Sales, Pricing, and Operations to improve marketplace liquidity, utilization, and overall performance
- Built and led a high-performing team of 5 Program Managers and Analysts to drive marketplace insights, execution, and performance improvements

Head of Strategic Initiatives

August 2020 – March 2022

- Led geographic expansion strategy and execution, tripling operational footprint within one year while reducing new market launch timelines from 6 months to 3 weeks
- Drove 20% year-over-year supply growth through new host acquisition strategies and lead generation strategies improving marketplace liquidity and operational efficiency
- Built Annual Operating Plans; oversaw the development of marketplace health metrics, KPIs, & dashboards; and helped lead Monthly Business Reviews presented to C-suite executives

Regional General Manager – West Coast**November 2019 – August 2020**

- Owned \$30MM P&L for Getaround's Owned & Operated West Coast fleet business, leading operations across 4 metro areas and 100+ team members
- Grew monthly revenues by 50% within 3 months by increasing vehicle up-time through operational improvements, organizational realignment, and establishing metrics & KPIs to guide the business
- Championed a team-first culture that prioritized collective success, resulting in a 30% increase in team productivity and increased morale through mentorship and professional development initiatives

General Manager – San Francisco Bay Area**May 2018 – November 2019**

- Scaled both sides of the peer-to-peer marketplace (hosts / vehicles, and renters) and grew team from 20 to 60 members in company's largest market while overseeing Local Marketing, Sales, and Operations functions
- Doubled the market's annual revenues through host-focused programs to grow vehicle supply, market expansion (San Jose), and local marketing initiatives
- Strengthened relationships with local governments and transportation agencies, enabling favorable operating conditions such as high-visibility, subsidized parking programs

YOURMECHANIC (Acquired by Wrench)**Mountain View, CA**

On-demand mobile automotive repair company with a nationwide footprint that operates on a two-sided marketplace.

Head of Strategy & Operations**August 2017 – April 2018**

- Managed all day-to-day operations consisting of 4 teams and 50+ headcount: Technician Supply (Recruitment & Retention), Automotive Parts Advisors & Service Estimates, Customer Service, and Warranty
- Reorganized & shifted the focus of the Technician Supply team, implemented new internal playbooks & data tools, and streamlined the on-boarding process resulting in a doubling of the monthly supply growth rate
- Developed metrics & KPIs and implemented OKRs for Operational teams; collaborated with Data Science team to design and deploy Tableau dashboards for performance monitoring

Director of Strategy & Operations**April 2016 – August 2017**

- Oversaw P&L for Automotive Parts Revenues and achieved 50%+ year-over-year gross margin improvement through implementing pricing strategies, supplier price negotiations, and operational enhancements
- Spearheaded collaborative partnerships with major Automotive Parts suppliers and developed joint processes for centralized ordering and in-store pick-up & returns for YourMechanic's nationwide technician network
- Collaborated with Engineering team to develop new app features and set up on-site operations for launch of a pilot program with Uber's vehicle leasing business; generated \$1MM in monthly revenues within 2 months

VIACOM, INC (Currently Paramount Corp.)**New York, NY & San Francisco, CA****Consultant, Strategic Initiatives****September 2014 – April 2016****Director, Business Advisory and Analytics****July 2011 – May 2014**

- Led strategic and operational projects for one of the world's largest media companies (MTV, Comedy Central, Paramount, etc.)

KEARNEY**New York, NY****Manager****January 2010 – June 2011****Associate****January 2008 – December 2010**

- Led engagement teams on Strategy & Operations projects on behalf of a global management consulting firm for clients in the retail, automotive, CPG, and financial services sectors

OTHER EXPERIENCE

TECHNOSERVE, Fellow (sabbatical), May 2014 – September 2014, Kampala, Uganda

EDUCATION

MBA (4.8 / 5.0 GPA) | MIT SLOAN SCHOOL OF MANAGEMENT

BA, Economics (3.9 / 4.0 GPA, Phi Beta Kappa) | UNIVERSITY OF CALIFORNIA, BERKELEY

1. Why do you want to be appointed to the KCSD Board of Directors?

I would love the opportunity to serve the community I live in by helping to advance and strengthen policies that benefit Kensington's population and institutions. I believe in the importance of public service, and it has played a central role in my life to date. I joined the U.S. State Department in 2015 and served in the Foreign Service for ten years, representing the United States and its interests in India, Mexico, and across Southeast Asia. I was energized by the mission to advance U.S. goals that benefited the security, economy, and well-being of Americans every day. That experience reaffirmed my commitment to public service and helped me realize the importance of representation closer to home, in my own community.

I am ready to contribute right away. The Board has taken important steps to prepare Kensington for emergencies, especially fires. I want to help ensure the whole community knows what opportunities and responsibilities residents have to participate in that effort — like grants to remove vegetation and parking requirements on red flag days.

2. What are your top three priorities for Kensington?

1. Greater participation. I want to ensure the new families in Kensington know about KCSD and its mission. I believe there is a limited group of people participating in activities and decisions regarding our collective services. As a KCSD Board Member, I want to revise the messaging strategy to ensure we are reaching out to include new community members. Some of my ideas include an email collection campaign, AI-generated summaries of board meeting minutes emailed to subscribers, and a regular KCSD presence at community events.

2. Supporting community grants. I believe the KCSD has a responsibility to ensure community members are fully informed about, and able to take advantage of, local resources and programs, especially those to subsidize fire-hardening work for individual homes. I want to make sure information like the availability of grants, and just as importantly, how to apply for grants, is readily accessible for Kensington residents.

3. Community outreach by service providers. I want to support the community outreach efforts being made by Kensington's police and fire department to connect with community members. These are excellent efforts that deserve to remain a consistent feature of our community.

3. What relevant skills, experience and expertise do you bring to serving as a KCSD Board Director?

As a former diplomat and public servant, I understand the challenges and importance of defining our mission as a community and working tirelessly to advance those goals. Discussion, including across differing viewpoints, is not easy but is a requirement to be a functioning, representative community. From my time in the Foreign Service, I have been trained to communicate in complicated and divisive scenarios. I am a patient, engaged communicator who values understanding the position of all sides before making a decision.

Aug 7, 2026

Furthermore, from my time in the State Department, I have multiple experiences dealing with crisis scenarios and response. At the U.S. Embassy in Mexico City, I led the emergency preparedness team and implemented training exercises and organized communications for the tens of thousands of Americans living in Mexico. While in the Office of Southeast Asian Affairs, I participated in Washington's support for Thailand during the COVID pandemic and recovery as well as the immediate political and economic response to the 2021 coup d'état in Myanmar. I am not fazed by pressure on the job and know how to keep focus on the overarching mission goals during uncertain times.

I also have a background supporting local business needs. Both at the U.S. Chamber of Commerce in Washington, D.C., and now at Airbnb, I recognize the importance that thriving and stable businesses can bring to their community members.

Lastly, and most importantly, raising a toddler in Kensington means I am invested in this community. I regularly walk its streets, enjoy the park, and frequent its restaurants and stores. I engage with this community every day and want to bring that same energy to a seat on the Board of Directors.

4. Provide your approach in handling a situation or matter that has very divisive points of view or conflicts with your personal philosophy.

Once a diplomat, always a diplomat. My approach to resolving contentious situations is centered around discussion and decision making. It is vital to weigh all viewpoints to make an informed decision, especially one that can affect an entire community. But it is equally important to make a decision at the end of that discussion. Too often in the public sphere, we let questions linger. For example, I have watched the back-and-forth debates about siting the police station for more than two years, and I don't believe the greater community is benefiting from the discussion. I believe it is the role of the KCSD to weigh the totality of the arguments and take a side.

As a Foreign Service Officer, I swore an oath to represent the United States regardless of the politics of the administration or how I felt about a given policy. I learned how to separate my own philosophy from the greater needs of the organization. I am confident I can take that same approach to fulfill my duties with the KCSD.

5. If you could change one thing about how Kensington operates, what would it be and why?

I believe the role of the KCSD and its mandate are not clear enough to the general population of Kensington. While meetings are open and the Kensington Outlook provides updates on the KCSD's work, many community members have limited exposure to frontline issues like emergency preparedness, park services, and police priorities. I propose the KCSD revamp its communication strategy to incorporate the wider views of its community and deliver messages in a more regular, widespread, and succinct manner. Improving online communication and AI-supported content would be great first steps to better connect KCSD to the community it serves.

Kensington Emergency Preparedness Report

August 2026

Emergency Preparedness Coordinator: Johnny Valenzuela

Kensington Emergency Preparedness Report

August 2026

Emergency Preparedness Coordinator: Johnny Valenzuela

Kensington's emergency preparedness initiatives continue to advance across multiple program areas as existing programs expand. This month's report highlights progress in Firewise renewal preparation, CERT organizational development, Hazardous Vegetation Removal Reimbursement (HVRR) program performance, the Kensington Ember Exclusion Program (KEEP), the emerging Red Flag Ready Awareness Program, and several initiatives aimed at strengthening community-wide readiness and risk reduction.

Firewise

Annual Renewal Preparation and Community Data Collection

Kensington Firewise communities will need to submit their applications for renewal recognition in mid-November. To support that effort, a Firewise lead meeting is planned for late September to walk neighborhood leaders through the renewal process and clarify expectations for documentation and submission.

A survey tool has also been developed for Firewise leads to distribute to their neighbors in order to gather feedback that will strengthen renewal applications. In addition to supporting Firewise recognition, this information will help demonstrate community investment and participation in wildfire risk reduction for future grant applications.

CERT

El Cerrito-Kensington CERT continues to build organizational capacity ahead of its next training cycle. A new CERT training class is scheduled to begin in October, and confirmation emails have already been sent to residents who registered for the course.

CERT leadership development is also progressing, with the steering committee taking shape and officers identified to complete the organization's state and federal filings. In parallel, a new CERT website has been developed and will be launched as a resource for residents to find upcoming training opportunities and stay informed about CERT-related news and activities.

Hazardous Vegetation Removal Reimbursement (HVRR)

Completed Projects and Reimbursement Processing

Program implementation continues to show strong progress. As of this report, 64 percent of approved projects from the last funding cycle have been completed, and reimbursement requests have been processed in less than two months.

Interest in Future Funding Cycle

Community interest in the program remains high. Residents are already asking when the next funding cycle will open, indicating continued demand for hazardous vegetation mitigation assistance and ongoing public interest in defensible space investment.

Kensington Ember Exclusion Program (KEEP)

The first set of field measurements has been submitted, and mesh fabrication is now underway for the initial batch of validated applicants. The program will also reopen appointments to continue site validation for the remaining two-thirds of applicants who have not yet completed that step.

Red Flag Ready Awareness Program

Development of the Red Flag Ready Awareness Program is continuing. Subcommittee members have now been provided access to the flag materials so they can support activation in the event that the National Weather Service issues a Red Flag Warning.

A formal deployment protocol is still under development. Firewise leads and CERT volunteers will be invited to participate in flag deployment, and training will be provided to ensure implementation is coordinated and consistent.

Program Development

Eucalyptus Risk Reduction

An agenda item was brought to the KCSD Board recommending development of a eucalyptus risk awareness and mitigation program. This concept remains in an early stage and is intended to begin discussion around whether there is Board consensus to recognize and address the hazards associated with eucalyptus as a distinct area of risk reduction work.

Hazardous Vegetation Removal Reimbursement Grant Program Updates

Potential changes to the HVRR program are being considered to improve its impact and service to the community. These discussions are intended to help ensure that future funding cycles are as effective and responsive as possible.

Earthquake Preparedness

Individual, household, and community-wide earthquake preparedness initiatives are currently in development. These efforts may also create opportunities to incorporate CERT coordination into future preparedness education and response planning.

Evacuation and Emergency Readiness Initiatives

Additional evacuation and emergency readiness initiatives are also in development. The Emergency Preparedness Committee continues to provide valuable insights that are helping to shape future drills, exercises, and other activities intended to improve resident readiness.

Kensington Community Services District

DATE: August 13, 2026

TO: Board of Directors

FROM: David Aranda, Interim General Manager (IGM)

SUBJECT: General Manager's Report for the Month of July 2026

July was a busy month for the entire staff. The General Manager was involved in the following:

- Ongoing work with the Fiscal Year 2027 budget, comparisons with the Ridgeline financial estimates and a review of the Fiscal Year 2026 actual financial results as opposed to the 2026 budget. (To be discussed as a separate agenda items).
- I interacted with legal counsel on a few items.
- Follow up on the Red Flag No Parking Program. It appears that by the board meeting of August 13th, signs should be installed by the County and the Fire Department, and the Police Department will be in position to act on red flag days as proclaimed by the National Weather Service.
- Contacted various residents in the community about various issues regarding roads, vegetation, and broad questions.
- Followed up on the application process for the vacant board seat. (see agenda item). This also involved an enjoyable conversation with one applicant.
- Attended the EPC meeting via Zoom.
- Zoom meeting with the City Manager of El Cerrito.
- Worked with a vendor regarding the IT needs for the administration operations in the Public Safety Building. (see agenda).
- Worked with Fernando as he began working on the park fire hardening project around the park buildings.
- Conversations with Ian of Bob Murray and Associates as the General Manager recruitment process progressed.

- Follow up to keep the website fresh with current information. (The integration of the two websites into a work in progress).
- Interaction with KCC representatives on assorted items.
- Various discussions and follow-up on issues with the Public Safety Building, i.e., internet problems, elevator issues and ice makers not working.
- Meeting with Mary and Johnny as we are working on a new journal replacing the fire plug.
- Begin working on the KCSD newsletter that will be mailed in late August, asking for input from various staff and consultants and volunteers.
- Signed off and confirmed that the potential lawsuit regarding the Public Safety Building is closed and no further action is required.
- Coordinated a meeting with SDRMA, Police Chief and Administrative Assistant regarding safety training that will provide required training and discounts on the SDRMA premium costs.
- Inquired with SDRMA about the invoice for property and liability for Fiscal Year 2027 and was able to have the invoice reduced by \$27,541.
- Finalized the purchasing of the modular for police operations.
- Zoom meeting with the Path Keepers to discuss the existing paths, future work on those paths and preparing to look at additional paths to be added to the ownership of the KCSD.
- Worked with the consultant and Bay View required documents for solid waste operations.
- Performed an employee evaluation with the Chief of Police.
- Zoom meeting with Five Star Bank and staff as we consolidated and updated the various bank accounts the District has.

Report Title: ADOPT Traffic Resolution No. 2026/4555 to prohibit stopping, standing, or parking at all times during "Red Flag" Events, Kensington area.

☒ Recommendation of the County Administrator ☐ Recommendation of Board Committee

RECOMMENDATIONS:

ADOPT Traffic Resolution No. 2026/4555 to prohibit stopping, standing, or parking at all times during "Red Flag" Events, Kensington area.

AUTHORIZE the Public Works Director or designee to amend Exhibit A if the State Fire Marshal amends the boundaries of the Very High, High, and Moderate Fire Hazard Severity Zones located in Kensington.

APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a Memorandum of Understanding with the Kensington Community Services District for parking enforcement in Kensington on red flag days.

FISCAL IMPACT:

No fiscal impact.

BACKGROUND:

California is experiencing a greater number of "Red Flag" events - days when weather conditions are such that the potential for a wildfire is extremely high, including when relative humidity is 15 percent or less with either sustained winds of 25 mph or greater or frequent gusts of 35 mph or greater for a duration of 6 hours or more, or when relative humidity is 10 percent or less for a duration of 10 hours or more, or when there is widespread and/or significant dry lightning, or for other hazardous local conditions.

The State of California, Department of Forestry and Fire Protection has designated significant portions of the Kensington area as Very High, High, and Moderate Fire Hazard Severity Zones that face greater risk of hazards during Red Flag events. The Kensington area contains narrow and winding roads, roads with tight curves, and critical intersections that would create choke points, making emergency response and resident evacuation extremely challenging in the event of a wildfire.

To increase public safety in the community of Kensington in the event of wildfire, the Kensington Community Services District and the Public Works Department has partnered to establish a Red Flag Parking Restriction Program.

This traffic resolution and memorandum of understanding will restrict parking on designated roads in Kensington. The Kensington Community Services District will determine Red Flag Warning Days and notify the Kensington community. The Kensington Community Services District will enforce the Red Flag Warning Days no-parking areas. Public Works will administer the traffic resolution and provide the necessary signage necessary to support the program.

Vehicle Code section 22507, Contra Costa County Ordinance Code section 46-2.004, and other applicable laws, authorize the Board of Supervisors to adopt traffic orders to prohibit parking at all times on County roads for various reasons.

CONSEQUENCE OF NEGATIVE ACTION:

Parking will remain unrestricted at this location.

THE BOARD OF SUPERVISORS OF CONTRA COSTA COUNTY, CALIFORNIA

Adopted this Traffic Resolution on June 9th, 2026, by the following vote:

AYES: Gioia, Andersen, Burgis, Carlson, Scales-Preston

NOES: None

ABSENT: None

ABSTAIN: None

TRAFFIC RESOLUTION NO. 2026/4555
Supervisory District I

SUBJECT: Red Flag” Event Parking Restrictions, Kensington area.

WHEREAS, California is experiencing a greater number of “Red Flag” events – days when weather conditions are such that the potential for a wildfire is extremely high, including when relative humidity is 15 percent or less with either sustained winds of 25 mph or greater or frequent gusts of 35 mph or greater for a duration of 6 hours or more, or when relative humidity is 10 percent or less for a duration of 10 hours or more, or when there is widespread and/or significant dry lightning, or for other hazardous local conditions;

WHEREAS, the State Fire Marshal has designated significant portions of the Kensington area as Very High, High, and Moderate Fire Hazard Severity Zones that face greater risk of hazards during Red Flag events;

WHEREAS, the Kensington area contains narrow and winding roads, roads with tight curves, and critical intersections that would create choke points, making emergency response and resident evacuation extremely challenging in the event of a wildfire; and

WHEREAS, Vehicle Code section 22507, Contra Costa County Ordinance Code section 46-2.004, and other applicable laws authorize the Board of Supervisors to adopt traffic orders to prohibit parking at all times on County roads for various reasons.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of Contra Costa County, as follows:

1. Emergency Response and Evacuation Routes. All County roads within the Very High, High and Moderate Fire Hazard Severity Zones shown on Exhibit A, as may be amended from time to time, are designated as emergency response and evacuation routes, and are subject to the parking restrictions in Section 2 during any “Red Flag” event declared by the National Weather Service or the Kensington Community Services District (KCSD) Fire Chief or designee. The KCSD will be responsible for developing its communication procedures for notifying the public when a “Red Flag” event is declared.

2. "Red Flag" Event Parking Restrictions. Whenever, with reference to any road or portion of a road within a Very High, High or Moderate Fire Hazard Severity Zone shown on Exhibit A (as may be amended from time to time), the KCSD Board of Directors determines, on advice of the KCSD Fire Chief and KCSD Police Chief, that parking on one or both sides of the road would create a hazard to life or property by interfering with emergency vehicle access or resident evacuation, on-street parking at that location or locations is prohibited at all times until the "Red Flag" event is declared to be ended. Vehicles parked in violation of this restriction are subject to removal at the owner's expense. The County Public Works Director or designee is authorized to install and maintain at that location or locations signs giving notice that on-street parking on those roads is prohibited during declared "Red Flag" events, and that vehicles parked on those roads during a declared "Red Flag" event are subject to removal pursuant to Vehicle Code section 22651(n) and other applicable laws. The County Public Works Director or designee is authorized to amend Exhibit A from time to time based on revisions made by the State Fire Marshal to fire hazard severity zone designations in the Kensington area.

3. Enforcement. The law enforcement and traffic officers of the KCSD are authorized to enforce this traffic resolution.

4. Exception. Vehicles of any federal, state, or local agency, or any public utility, are exempt from the parking restrictions in Section 2

I hereby certify that this is a true and correct Copy of an action taken and entered on the minutes of the Board of Supervisors on the date shown.

TRAFFIC RESOLUTION NO. 2026/4555

**COOPERATIVE AGREEMENT
BY AND BETWEEN CONTRA COSTA COUNTY AND THE
KENSINGTON COMMUNITY SERVICES DISTRICT
REGARDING “RED FLAG” EVENT PARKING ENFORCEMENT**

This Cooperative Agreement (“Agreement”) is entered into as of June 9, 2026, (“Effective Date”) by and between Contra Costa County, a political subdivision of the State of California (“County”), and the Kensington Community Services District, a community services district formed under the Community Services District Law, Government Code section 61000, et seq. (“District”). The County and the District are sometimes referred to herein together as the “Parties,” and each individually as a “Party.”

Recitals

- A. California is experiencing a greater number of “Red Flag” events – days when weather conditions are such that the potential for a wildfire is extremely high. The State Fire Marshal has designated significant portions of the Kensington area as Very High, High, and Moderate Fire Hazard Severity Zones, which means Kensington faces even greater risk of wildfire hazards during “Red Flag” events.
- B. The Kensington area contains narrow and winding roads, roads with tight curves, and critical intersections that could create choke points, making emergency response and resident evacuation extremely challenging in the event of a wildfire or firestorm. District staff determined that parking restrictions on roads within Kensington during “Red Flag” events will enhance public safety and emergency response by making roads passable for emergency vehicles and any necessary resident evacuations.
- C. The County is authorized to adopt and enforce parking restrictions on County roads. The District is authorized to provide police protection and traffic enforcement within its jurisdiction. On June 9, 2026, the County Board of Supervisors adopted Traffic Resolution No. 2026/___, establishing parking restrictions on certain County roads within the District when a “Red Flag” event is declared. The purpose of this Agreement is to delegate parking enforcement on certain County roads to the District during “Red Flag” events.

Agreement

NOW, THEREFORE, the Parties agree, as follows:

- 1. **Term; Termination.** The term of this Agreement commences on the Effective Date. This Agreement shall remain in effect until it is terminated. This Agreement may be terminated by either Party upon 30 days’ advance written notice from the other Party, or at any time upon the mutual written agreement of both Parties.
- 2. **“Red Flag” Event Parking Enforcement.** The District represents that it is authorized to enforce “Red Flag” event parking restrictions on roads within the District, as determined

by the District to best facilitate emergency vehicle access and resident evacuations. The ticketing and towing of vehicles in violation of District's "Red Flag" event parking restrictions shall be at the sole discretion of the District. The District shall be solely responsible for collecting any fines for violation of "Red Flag" event parking restrictions within the District, and for seeking reimbursement from responsible third parties of any other costs the District incurs in connection with "Red Flag" event parking enforcement. While this Agreement remains in effect, the County will not be responsible for enforcing any "Red Flag" event parking restrictions within the District.

3. **Signage.** The County will install signs on roads designated by the District for "Red Flag" event parking restrictions. The signs will give notice that on-street parking is prohibited during declared "Red Flag" events, and that vehicles parked on those roads during a declared "Red Flag" event are subject to removal pursuant to Vehicle Code section 22651(n) and other applicable laws. The locations of those signs will be determined by the KCSD Board of Directors, on advice of the KCSD Fire Chief and KCSD Police Chief. Upon the initial installation of any such sign by the County, the use, maintenance, operation, repair, replacement, and removal of that sign shall be the responsibility of the County.

4. **Indemnification.**

- A. Except to the extent Section 4.B. provides otherwise, the District shall indemnify, defend, and hold harmless the County, its officers, employees, and agents ("County Indemnitees" and each a "County Indemnatee") from and against any and all claims, demands, costs, expenses, damages, liabilities, fees, attorney's fees, judgments, attorney's fee awards, and penalties (collectively, "Liabilities") that arise from or are attributable to the negligence or willful misconduct of the District or any of its employees, contractors, and agents in the performance of, or failure to perform, any of the District's obligations under this Agreement, including but not limited to the enforcement or failure to enforce "Red Flag" event parking restrictions.
- B. Notwithstanding anything to the contrary in Section 4.A., the County shall indemnify, defend, and hold harmless the District and its officers, employees, and agents from and against any Liabilities, to the extent that those Liabilities arise from the negligence or willful misconduct of any County Indemnatee in the performance of, or failure to perform, any of the County's obligations under this Agreement.
- C. This Section 4 shall survive and remain enforceable following the termination of this Agreement.

5. **Compliance with Laws.** The Parties shall comply with all applicable local, state, and federal laws and regulations while performing their obligations under this Agreement.

6. **No Joint Liability.** Nothing in this Agreement shall be construed as creating any joint liability with regard to any of the activities undertaken by the Parties under this Agreement.

7. **No Third-Party Beneficiaries.** This Agreement is for the sole benefit of the Parties hereto. Nothing in this Agreement, express or implied, confers, nor shall it be construed to confer, any legal or equitable right, benefit, or remedy on any person or entity other than the Parties. Nothing in this Agreement establishes or creates, nor shall it be construed to establish or create, any legal duty or obligation owed to any third party.
8. **Applicable Law.** This Agreement shall be interpreted and enforced in accordance with the laws of the State of California.
9. **Entire Agreement; Amendment.** This Agreement includes the entire agreement of the Parties with respect to the subject matter of this Agreement. This Agreement may not be amended except in a writing executed by both Parties.
10. **Counterparts; Digital Signatures.** This Agreement may be executed in counterparts, each of which shall be deemed an original, and all such executed counterparts, when taken together, shall constitute one and the same instrument. A Party may execute this Agreement with a digital signature affixed using a technology that meets the California Secretary of State's requirements for digital signatures.

The Parties have executed this Agreement as of the Effective Date.

RE: AB 1383 (McKinnor) Public Employees' Retirement Benefits. **OPPOSE** (*As Amended July 1, 2026*)

Dear Chair Cervantes,

The Kensington Community Services District writes to inform you of its respectful opposition to Assembly Bill (AB) 1383. This bill would make several significant changes to public employees' retirement benefits, which would ultimately lead to increased pension liability for state and local agencies.

Kensington Community Services District provides POST Certified police services in Kensington, a community within Contra Costa County serving about 5000 residents. The District also provides fire and emergency services through a contract with the City of El Cerrito's Fire Department. This proposed bill will have a severe financial impact over our small agency and could result in a decrease in these essential services.

The Public Employees' Pension Reform Act (PEPRA) was passed in 2012, and most of its provisions went into effect Jan. 1, 2013. PEPRA was designed to address a wide range of issues involving public employee pensions and was a major step in helping public agencies better manage future pension costs and prevent the California Public Employees Retirement System from sliding into insolvency. AB 1383 would upend many of the reforms put in place in 2013 by PEPRA.

Specifically, this bill would:

- Increase the pensionable compensation cap;
- Reduce the retirement age for public safety from 57 to 55 prospectively;

- Add a 4th safety tier that is 3% @ 55, prospective and subject to bargaining; and,
- Allow local agencies to adjust their local formula in a prospective manner.

Through these changes, the bill would dramatically increase state and local pension obligations and undo critical pension reform.

PEPRA has been in place since 2013, and we have had the opportunity to see its impact on pension funds and local agencies. According to a 2024 estimate, for the state, schools, and public agencies in CalPERS, PEPRA had already led to \$5.8 billion in savings. As years go by and the public sector force skews towards more new members, those savings will increase dramatically. Over the next ten years, PEPRA is expected to result in \$26.5 billion in cost savings for CalPERS members¹. These data do not include the public agencies that maintain their own pension system, including twenty counties. The critical savings from PEPRA help support budgetary stability which supports operational and workforce stability.

AB 1383 increases mandated costs without a way for public agencies to absorb them. The potential cost of this bill comes at a time of fiscal uncertainty. Much like the state, local agencies are facing budget challenges, as the costs of delivering services increase, and new mandates are implemented. Some local agencies are currently considering significant budget cuts across all departments. AB 1383 would cause increased benefit costs and new cost pressures, leading to serious cost increases for local government.

According to CalPERS, given the current discount rate of 6.8%, **AB 1383 is expected to increase the required contributions of employers and PEPRA members and increase the present value of future benefits (PVB) by \$4.8 billion across State, Schools, and Local Agency plans.** In addition to the change in PVB, CalPERS estimates that the **change to the accrued liability to be \$233 million** across State, Schools, and Local Agency plans. Additionally, AB 1383 further proposes that employers may increase their PEPRA formula to 3% at age 55 through individual agency collective bargaining. The benefit for this formula will be limited to 90 percent of final compensation. The increase in the normal cost due to this change could lead to increased annual normal cost contributions of \$353 million in the first year and increase the present value of future benefits by \$3.4 billion.

The CalPERS analysis does not include estimates for non-CalPERS pension systems, including for the twenty county-operated pension systems. Additionally, these costs are based on a snapshot of current compensation for public employees and could be heightened significantly if compensation increases rise and exceed the current compensation cap.

¹ [CalPERS 2024 Annual Review of Funding Levels and Risk \(published November 2024\)](#)

As of June 30, 2026, the Public Employees Retirement Fund (PERF) was 85% funded. If CalPERS misses its investment return mark of 6.8%, local agencies in CalPERS and the State have to pay the difference. Again, this bill would compound costs for local governments and the State and do nothing to offset the costs.

While this bill may be prospective, agencies have already been authorizing salary increases since the passage of PEPRAs under the assumption that the cost of benefits would remain in line with current PEPRAs law. The prospective costs would likely cause an immediate financial strain on impacted agencies, especially those with a large number of PEPRAs safety employees.

Local government decision makers and public agency department heads have been implementing innovative ways to try to boost recruitment and retention and would welcome additional state support and resources for these efforts. However, adding another unfunded mandate on public agencies will not solve the problem of retention and recruitment. It is critical that our pension policy offers sustainable retirement benefits to public agency employees while at the same time ensuring that public agencies have solid retirement benefits to attract and retain highly talented employees.

By increasing the cost of these benefits, AB 1383 would result in less money for salary increases, which could therefore harm future recruitment efforts. Additionally, the changes in this bill could result in labor unrest by furthering the equity issues between safety and non-safety employees. Additionally, according to CalPERS, AB 1383 would increase the total normal cost for the affected plans and as a result PEPRAs employee contribution rates increases could increase as well to reach half of the new normal cost. This would mean that some PEPRAs employees making under the pensionable compensation cap may have to pay more to CalPERS out of their check while not seeing a benefit from the increased pensionable compensation cap.

Unfortunately, pension costs for many California public agencies continue to be a challenge, threatening the delivery of basic public services, compromising general fund budgets and, indeed, posing a long-term fiscal challenge to the State itself. That is why it is increasingly important that any change to the system be sustainable, fair to taxpayers and employees, and provide long-term financial stability. Any change to PEPRAs must protect the fiscal integrity of public agencies and retirement for public employees.

Our agency is committed to ensuring competitive benefits for public servants while maintaining the fiscal integrity of critical local services. However, this bill would not protect the fiscal integrity of public agencies and would send public agencies and our pension funds in the wrong direction.

For these reasons, our organization is respectfully opposed to AB 1383. If you have any questions, please do not hesitate to contact us directly.

Sincerely,

David Aranda

David Aranda
Interim General Manager

Kensington Community Services District

DATE: August 13, 2026

TO: Board of Directors

FROM: Mary A. Morris-Mayorga, Consultant

SUBJECT: Consultant's Monthly Report for July

RECOMMENDATION:

This item is for information only, no action is requested.

BACKGROUND:

Transition activities have continued, with progress on many initiatives.

Transition/General Management

- Meetings with David Aranda:
 - ✓ BOD agenda/meetings; finance-cash & investments/bank accounts; El Cerrito Fire Service Contract summary; El Cerrito Fire Service Contract Fee Schedule and history; and general management/administration
- Retiree dental and vision – notifying participants of change through SDRMA effective 10/1

Emergency Preparedness

- Meetings/calls with David Aranda and Johnny Valenzuela to discuss Emergency Preparedness and Committee items:
 - ✓ Work Plan items/coordination, status of current activities
 - ✓ Coordination of July EPC meeting agenda/packet and follow-up
 - ✓ Newsletter/report – 7/24 additional discussion on vision , plan of action, path for progression following EPC meeting
 - ✓ KEEP – this will come to the Board in September for approval as details continue evolving

Finance

- Meetings/calls with David Aranda, Melissa Klinect, and Karn Borisuthiratana to discuss:
 - ✓ FY 2025-26 year-end adjustments for final reporting and preparation of annual audit; payments; FY 2026-27 budget amendments
- Meeting/calls/emails with Melissa Klinect on Fire year-end resolution of reconciling items, explanation of El Cerrito Contract Fee/Reconciliation and account recording/flow
- Meeting with David Aranda and Five-Star Bank on fire account final closeouts and transfer to

KCSD; coordination of banking services

- Special Tax parcel file – multiple coordination emails and phone calls with County Department of Information Technology, submitted revised and final to County Auditor-Controller with confirmed acceptance; updated procedure for finance staff to take over in future years
- Direct Levy coordination with County Auditor-Controller, submitted revised and final request with confirmed acceptance by County; updated procedure for future years
- Continued work on remaining transition of finance items for transfer of name to KCSD – State of California Insurance Fund response and notification

Public Safety Building

- Internet speeds – (continuing) history investigation and resolution development options of reported slow internet speeds by fire staff; awaiting El Cerrito IT list of recommended considerations after meeting on 6/11; contacted AT&T confirming speeds are faster than plan – received WiFi extenders from AT&T to improve throughout building, awaiting feedback on
- Elevator – assisted in coordinating troubleshooting of operational issue, backup battery failed (expected to last 3-5 years, this one lasted ~2 years), Metro Elevator replaced
- Door access keypads – located documentation and contact information for staff to research key code options
