## **EXTENSION OF INTERIM GENERAL MANAGER EMPLOYMENT AGREEMENT**

### **BACKGROUND AND SUMMARY**

On March 26, 2020, the Board of Directors approved a contract with Bill Lindsay for interim general manager services. The term of that agreement expired on December 31, 2020. The Board expects to retain a new general manager soon, however the District still requires Mr. Lindsay's services until the new manager has begun and perhaps a few days beyond that. Accordingly, staff recommends that the Board approve the subject contract amendment extending Mr. Lindsay's contract until January 31, 2021.

### **FISCAL IMPACT**

The District will continue to pay Mr. Lindsay's compensation as provided in the 2020-2021 budget. There may be some duplication if the new manager starts before Mr. Lindsay's last day, as is desirable to provide continuity.

### **RECOMMENDATION**

Staff recommends that the Board hear public testimony, consider the proposed amendment and approve the extension of Mr. Lindsay's contract.
